## CORE B 2023-2024

Core B 2023-2024, will focus on the Regulated Industries Complaints Office (RICO), and will cover, among other things, applicable laws and rules that govern real estate brokers and salespersons, RICO's sections and their functions, the complaints process, the Real Estate Recovery Fund, case scenarios, and applicable legislative updates. Projected course availability is scheduled for July 2024.

**The Train-the-Trainer session for Core B will be held on Tuesday, July 2, 2024, via the ZOOM format, courtesy of the Honolulu Board of REALTORS®. Registration information will be sent to all CE Providers in the near future.**

**Mahalo to HBR for hosting the Train-the-Trainer session again!**

***\*\*CE Providers: Please be sure to pass on this Train-the-Trainer date and information to all of your CE instructors!\*\****

## IMPORTANT REMINDERS

**As you are aware, this is an even-numbered year and that means IT IS A RENEWAL YEAR and ALL real estate licenses must be renewed by the Commission-prescribed deadline of November 30, 2024!**

This means Prelicensure Schools, Prelicensure Instructors, Guest Lecturers, CE Providers, and CE courses must re-register/re-certify by November 30, 2024, to remain current and in compliance. Beginning on August 5, 2024, you may visit the "FORMS" section on our website at [www.hawaii.gov/hirec](http://www.hawaii.gov/hirec) for our newly updated education applications.

The real estate license renewal deadline for all salespersons, brokers, and entities is also November 30, 2024. Online renewal may be completed via their MyPVL accounts: [mypvl.dcca.hawaii.gov](http://mypvl.dcca.hawaii.gov), and the online renewal site will be available mid-October.

## **FOR PRELICENSE SCHOOLS**

All real estate SALESPERSONS who received their license in the even-numbered year of the biennium, 2024, are NOT required to complete the 20 hours of continuing education (CE) to renew their license on a current and active status.

THIS DOES NOT APPLY TO NEWLY LICENSED real estate BROKERS who received their license in 2024 – BROKERS must complete 20 hours of CEs.

## **DCCA/REAL ESTATE BRANCH AND TRADE ORGANIZATION AFFILIATION ARE NOT THE SAME**

Make clear to prospective licensees that there is a difference between their real estate LICENSE and a REALTORS® membership. Too often licensees believe they paid for and renewed their LICENSE however, it is their Board membership that was paid for and renewed.

The DCCA/Real Estate Branch is the licensing authority that grants real estate licenses and allows licensees to engage in real estate activity in Hawaii. REALTORS® membership is a trade organization that a licensee may choose to become affiliated with.

### ***Questionable Background Issues:***

Make all students aware that the “Request for Preliminary Decision Application” ONLY applies to those with a questionable background issue(s). Questionable background issues include, but are not limited to, criminal convictions (felony, misdemeanor, or court martial), or any civil/administrative/government action, including DUIs, drug/alcohol issues, abuse situations, tax liens, unpaid tax obligations, judgments, unpaid judgments, disciplinary action (for another licensing area or from another state or country), applicants currently serving parole or probation, violations of administrative laws/court orders/government sanctions, etc. IF the student does have a questionable background issue, they may be interested in reviewing and possibly applying for the Request for Preliminary Decision Application before investing additional time and money on the licensing process.

### ***MyPVL Account:***

Students should only “register” once for a MyPVL account and should use the same MyPVL account from prelicense to licensure. This will avoid duplicate accounts, emails, passwords, etc. Students are encouraged to use their personal email, not an email affiliated with an employer. This will avoid being locked out of their MyPVL account should they leave that employer and no longer have access to that email.

Highlight the importance of MyPVL accounts and its functions. Licensees will need to visit their account time and again to renew their licenses every even-numbered year (whether on active or inactive status). Their MyPVL account provides access to their CE history, their license status, the ability to update personal information, and to print their pocket IDs and wall certificates (if applicable).

Remind licensees pocket IDs and wall certificates will not be mailed to them. Licensees will obtain their pocket IDs and wall certificates by printing them through their MyPVL account. Printing directly from MyPVL is free. Printing of wall certificates is only accessible to active licensees.

This information should be disseminated to all students when they take prelicensing courses:

1. Students shall register for the prelicensing course using their legal name as stated on their government-issued ID. This will avoid the incorrect name from being printed on their school completion certificate and will enable the student to schedule their exam with PSI without incident/rejection.
2. Prelicense instructors should clearly emphasize that broker candidates must apply for and receive a broker experience certificate (BE) from the REB prior to sitting for the broker licensing exam with PSI. Without an approved BE, a candidate who successfully passed an exam will not have the passing examination honored.
3. Prelicense instructors should clearly emphasize to broker candidates the importance of completing their broker experience (BE) application and their Experience Certification Statement(s) correctly. Make sure correct dates of employment and the correct number of weeks of full-time experience are entered on their Experience Certification Statement(s) that accompany their application for BE. Incorrect applications or required documents will result in rejection and/or delays.
4. Prelicense instructors should remind broker candidates to read the BE application instructions in its entirety. Please note that original signatures are required; DocuSign is not acceptable.

### **FOR CONTINUING EDUCATION PROVIDERS**

All real estate SALESPERSONS who received their license in the even-numbered year of the biennium, 2024, are NOT required to complete the 20 hours of continuing education (CE) to renew their license on a current and active status.

THIS DOES NOT APPLY TO NEWLY LICENSED real estate BROKERS who received their license in 2024 – BROKERS **must** complete 20 hours of CEs.

20 hours of CE should be completed by the November 30th renewal deadline. If CEs are not completed by this renewal deadline, licensees jeopardize their license status come January 1, 2025. The November 30th deadline provides enough time for processing of renewal applications.

**DCCA/REAL ESTATE BRANCH AND TRADE ORGANIZATION AFFILIATION ARE NOT THE SAME**

Make clear to licensees that there is a difference between their real estate LICENSE and a REALTORS® membership. Too often licensees believe they paid for and renewed their LICENSE however, it is their Board membership that was paid for and renewed.

The DCCA/Real Estate Branch is the licensing authority that grants real estate licenses and allows licensees to engage in real estate activity in Hawaii. REALTORS® membership is a trade organization that a licensee may choose to become affiliated with.

***MyPVL Account:***

Highlight the importance of MyPVL accounts and its functions. Licensees will need to visit their account time and again to renew their licenses every even-numbered year (whether on active or inactive status). Their MyPVL account provides access to their CE history, their license status, the ability to update personal information, and to print their pocket IDs and wall certificates (if applicable).

This information should be disseminated to all licensees when they take CE courses:

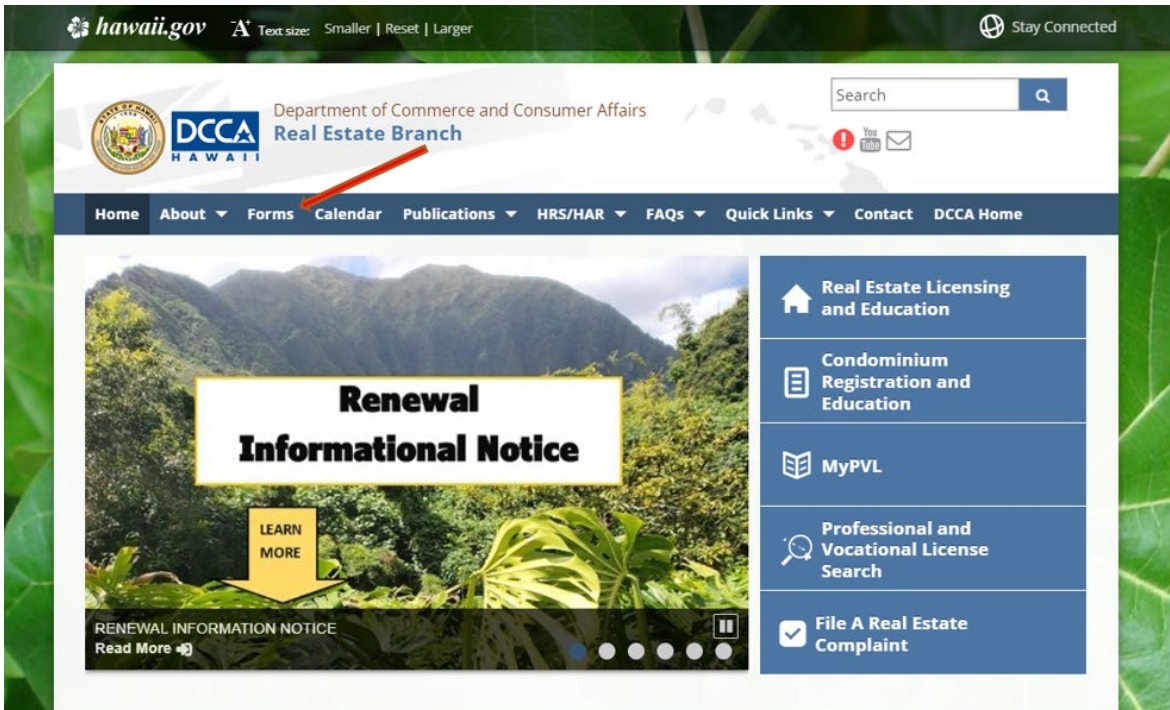

1. Licensees should confirm their information, specifically their real estate license number, is correct when registering for a CE course(s). This will ensure that the proper courses and credit hours are reported to the licensee's education portal.
2. Please remind licensees to check their CE History within their MyPVL account prior to registering for a course or a pre-packaged course. Pursuant with Hawaii Administrative Rules (HAR) §16-99-95, a licensee shall not take a continuing education course for which they have received credit within two (2) consecutive biennia. For example, if a course was taken in the 2021-2022 biennium, the licensee **would not receive credit** for that same course in the 2023-2024 (current) biennium.
3. Make sure licensees are aware of your refund policies and/or the ability to retake another course(s) if any of the course(s) is a duplicate.
4. A CE Provider has 10 days to post a course completion. Licensees should be made aware of that timeline and if a course is NOT posted, the licensee should check back with the CE Provider to ensure it was not overlooked.
5. Licensees may access their CE information via their MyPVL account at <https://mypvl.dcca.hawaii.gov/> . Once logged into their MyPVL account, click on their license number. Next, click on the tab "RECE" (Real Estate Continuing Education), then on the "View CE History" tab. Here licensees will be able to view their history of courses completed and reported to the Commission.
