Rulemaking, Chapters 107/119-Status Update on the Commission's Proposed Condominium Rules; Simultaneous Repeal of Hawaii Administrative Rules ("HAR")  
Chapter 16-107, Relating to Horizontal Property Regimes, and Adoption of HAR  
Chapters 16-199.1 through 16-119.8, Relating to Condominiums

Chair Yamane asked Deputy Attorney General Wong for an update on the review.

Deputy Attorney General Wong stated that she finished the review but still needs to consult with Senior Condominium Specialist Kleinhans and Condominium Specialist Choy on the matter.

Legislative Acts and Resolutions – Study Funded Pursuant to Act 43, SLH 2024 (S.B. 2726): Five States' Approaches to Aspects of Condominium Law. This study provides an examination of condominium regulation in California, Delaware, Florida, Massachusetts, and Nevada, emphasizing six areas of state condominium oversight: (1) condominium operations and governance; (2) condominium ombudsmen; (3) dedicated alternative dispute resolution programs; (4) owner access to condominium documents; (5) owner education at the point of sale; and (6) licensing of condominium management. The entire study is available online at: <https://lrb.hawaii.gov/publications/>

Senior Condominium Specialist Kleinhans informed the Commission that Act 43, SLH 2024 required LRB to conduct a study on how other states approach condominium subjects. Act 43 appropriated \$150,000.00 out of the CETF fund and \$200,000.00 from the State general fund to conduct the study. The RAND

Corporation was procured for and contracted to conduct the study for a total of \$308,739.00. Any unused contract amount will be credited back to the CETF fund by June 30, 2026. The unused contract amount will be monitored to ensure any amount is credited back to the CETF fund. The Rand Corporation completed the study in November 2025 and their findings were forwarded to the Condominium Property Regime Task Force which was established by Act 189, SLH 2023, for discussion on any appropriate action regarding legislation.

Vice Chair Senter asked why the study chose jurisdictions that have real estate ombudsman programs.

Senior Condominium Specialist Kleinhans indicated that the task force determined the jurisdictions.

Commissioner Andrews asked whether the study discussed anything applicable to the State of Hawaii.

Senior Condominium Specialist Kleinhans mentioned that the purpose of the study was for the task force to evaluate and discuss any appropriate legislation that would address Hawaii condominium governance.

Commissioner Goodale asked what the timeframe was for the task force to evaluate and act accordingly regarding the study.

Senior Condominium Specialist Kleinhans responded by saying that no date has been finalized yet. He also mentioned that the 2026 Hawaii State Legislature session is fast approaching, which could impact how fast the task force can compile legislation.

Commissioner La Costa asked whether there was a forum available if anyone had questions regarding the study.

Senior Condominium Specialist Kleinhans indicated that the task force meeting is a sunshine law meeting and questions can be addressed at that time.

Commissioner Abe wanted to confirm whether just three out of the five states in the study had an ombudsman program.

Senior Condominium Specialist Kleinhans indicated that three of the five states had an ombudsman program, however, he mentioned that each ombudsman program have different authorities.

Commissioner Goodale asked whether the members of the task force will remain or whether there will be new members added.

Senior Condominium Specialist Kleinhans responded no changes to his knowledge.

Commissioner Abe asked whether the RAND corporation will address follow up questions to their study.

Senior Condominium Specialist Kleinhans indicated that follow up questions were not part of the solicitation and contract with the RAND corporation.

Commissioner La Costa asked whether the Commission could be emailed the date(s) of the task force meeting(s) when it does become available. Senior Condominium Specialist Kleinhans responded yes.

Chair Yamane instructed the Commissioners if they had any more questions about the study to email the condominium specialists.

Executive Officer Ino indicated that the Commissioners can send their questions to the HIREC@dcca.hawaii.gov email address.

Chair Yamane addressed Lila Mower's request to present testimony on the agenda item.

Lila Mower introduced herself as a member of the Condominium Property Regime Task Force that met in 2023. The task force received the RAND corporation study link on December 1, 2025. On or around December 15, 2025, Ms. Mower emailed the chair of the task force asking when the task force can meet. According to Ms. Mower, the chair suggested that the task force meet in the first two weeks of January 2026. Ms. Mower suggested to the chair that the task force meet in the first week of January 2026 because of the pending upcoming legislative deadlines and that the task force have subsequent meetings to review proposals before they are made. The task force members term expires at the end of June 2026. She expressed concern that the task force should meet as soon as they can and request that the Real Estate Commission urge the task force to meet as soon as possible due to all of the legislative deadlines. Ms. Mower said that the amount spent on the study was disappointing and wanted to know how the funds were used to fund the study. According to the study, 120 stakeholders were interviewed for the study, Ms. Mower questioned why the study took so long to produce and cost so much when 120 stakeholders were interviewed. Ms. Mower referred to past studies that were commissioned that came to the same conclusion as the current study and was wondering what the worth of this study was. Ms. Mower reiterated that she wished the funding for the study was used "wisely, that the study was broader, that it came to better conclusion, that time was used better."

Commissioner Abe asked Ms. Mower whether the current members of the task force terms will be extended.

Ms. Mower responded that it would be a decision made by the legislature.

Chair Yamane addressed Gregory Misakian's request to present testimony on the agenda item.

Gregory Misakian introduced himself as a condo owner and a member of the board of directors of his condo association. Mr. Misakian said that he was "stunned" to hear the cost of the study and that when he first read the report his first impression was that it could be "AI generated." He said that he was originally from Massachusetts and is familiar with some of the state's condominium law and lived in California for 24 years, 11 of those years he lived in a condominium. Mr. Misakian mentioned that he had knowledge of the Davis-Stirling Act, as a result of navigating through various condominium issues in the State of California. He expressed the urgency for Hawaii to get an ombudsman during the upcoming legislative session. Mr. Misakian commented on the abundance of lawyers in the State of California and their reluctance to have an ombudsman because of the smaller fees lawyers can charge. He encouraged that the task force chair be replaced because of what he

perceived as the chair's lack of support for an ombudsman program. Mr. Misakian ended by expressing the importance and urgency of advocating for an ombudsman this upcoming legislative session.

Commissioner Andrews asked Mr. Misakian is it because the lawyers in California "pushed back" that is the reason why the state does not have ombudsman services.

Mr. Misakian responded yes, they lobbied against it. He also mentioned the condominium services that were once provided by the California Attorney General's Office that he observed were not provided anymore. Mr. Misakian again commented on the abundance of lawyers and in his view their reluctance to have an ombudsman because of the smaller fees lawyers can charge.

### **Education Review Committee**

#### Application – Lindsey Lisa Myeni – Prelicense Education Instructor; Salesperson and Broker Curriculum; Prelicense School

Chair Yamane recused himself from voting on this matter based on the applicant's disclosure of previous employment with Locations. Chair Yamane passed the meeting responsibilities temporarily to Vice Chair Senter for this discussion and left the room.

Vice Chair Senter remarked that she wanted to make it clear to the Commissioners that what should just be assessed is the prelicense instructor application itself, not impacted by any specific course. Due to legal questions to confer with the Deputy Attorney General, Vice Chair Senter recommended that the application be taken under advisement.

Commissioner Emery moved to take the prelicense education instructor application of Lindsey Lisa Myeni under advisement and move into executive session pursuant to section 92-5(a)(1), HRS, "To consider and evaluate personal information relating to individuals applying for professional or vocational licenses cited in section 26-9 or both." and/or section 92-5(a)(8), HRS, "To deliberate or make a decision upon a matter that requires the consideration of information that must be kept confidential pursuant to a state or federal law, or a court order." and/or section 92-5(a)(4), HRS, "To consult with the board's attorney on questions and issues pertaining to the board's powers, duties, privileges, immunities, and liabilities."

Upon a motion by Commissioner La Costa, seconded by Commissioner Abe, it was voted on and unanimously carried to move out of executive session.

Chair Yamane returned to the meeting.

Commissioner Emery moved to approve the prelicense education instructor application for salesperson and broker curriculum of Lindsey Lisa Myeni. Commissioner Abe seconded the motion.
