

NOTICE TO CONSUMERS

Contact the RICO Consumer Resource Center at
(808) 587-4272:

- ✓ To verify licensure
- ✓ To request information about prior complaints
- ✓ To file a complaint about a licensed dentist
- ✓ To verify a dentist's special privilege to administer anesthesia or sedation

The **Regulated Industries Complaints Office (RICO)** is the enforcement arm for the **Board of Dentistry**. RICO receives complaints, conducts investigations, and prosecutes licensing law violations. RICO also prosecutes unlicensed activity. Pursuant to Act 106 (SLH 2017), licensed dentists who administer general anesthesia, deep sedation or moderate (conscious) sedation, are required by law to post this information in a conspicuous place at the dentist's place of business. For information about the special privilege or to report possible violations, contact the RICO Consumer Resource Center.
