- 6) Benjamin Franklin

*** Bonus Question***
Alexander Hamilton
Benjamin Franklin

Activity Booklet For TEENS

For ages 12-18

Department of Commerce & Consumer Affairs
Office of the Securities Commissioner

The **Office of the Securities Commissioner** encourages everyone to create a financial plan, start saving early and to educate yourselves so that you can make wise financial decisions.

This booklet was created by our Investor Education Program as a fun way to spread this message to our youth. We hope you enjoy it!

For more information and resources, please check out the Investor Education Program:

- **On social media:** @HiSecurities; or
- **By calling:** 587-7400.

SAVING TIPS FOR TEENS

- Evaluate your wants and needs
- Develop a savings plan and have goals
- Develop a budget for spending
- Put away a set amount of savings every month in your “piggy bank” or savings account
- Think before you spend

Hawaii SMS HCEE Stock Market Simulation

HCEE
HAWAII COUNCIL ON
ECONOMIC EDUCATION

The Hawaii SMS is a free interactive tool that helps students in grades 3-12 learn how to invest and save for their future. The teacher-training workshops and state-of-the-art curricula enables teachers to help their students learn about economics and financial concepts, setting financial goals, and managing money by using practical math and research skills. For information about this program or to register for workshops, visit www.hcee.org.

LifeSmarts is a FREE educational program that prepares students to enter the real world as smart and savvy consumers by teaching them the consumer literacy skills needed to succeed in today's global marketplace. Students are challenged both individually and as a team. Open to students in grades 6-12. For more info visit LifeSmarts.org.

FACE IT!

Write the name of the person who appears on the bills shown below.

1)

2)

3)

4)

5)

6)

BONUS QUESTION!

Which two were not U.S. Presidents?

Figure out the Maze

If you start
saving now

You'll end up
with a full
piggy bank!

needs vs wants

For each of the items below, indicate whether it is a “need” or a “want”, then find all of the words hidden in the word search.

1) Cell Phone

2) Food

3) Movies

4) Video Games

5) Water

6) Clothes

7) Utilities

8) Toys

9) Transportation

10) Shelter/Home
