operation of law until it files evidence of a surety bond in a like amount as the surety bond being released.

(h) The principal on a surety bond filed under the provisions of this section shall be released from the surety bond after the principal serves written notice thereof to the department at least sixty days prior to the release. The release shall not discharge or otherwise affect a claim filed by a student or enrollee or the student or enrollee's parent or legal guardian pursuant to section 305J-15 for a loss of tuition or fees that occurred while the surety bond was in effect or that occurred under any note or contract executed during any period of time when the surety bond was in effect, except when another surety bond is filed in a like amount and provides indemnification for any such loss.

(i) Each private college or university that files a surety bond pursuant to this section shall provide in a report to the department annual verification of continued coverage as required by this section no later than January 1 of each year.

(j) A seminary or religious training institution shall not be subject to the requirements of this section.

[§305J-15] Claims against a private college or university; cessation of operation; alternative enrollment. (a) A student or enrollee, or a parent or legal guardian of the student or enrollee, who claims loss of tuition or fees as a result of cessation of operations may file a claim with the department if the claim results from an act or practice that violates a provision of this chapter. Claims that are filed with the department shall be public records and subject to the provisions of chapter 92F; provided that the department shall not make the records public if the release would violate a federal privacy law.

(b) If a private college or university ceases operation, the director may make demand on the surety bond upon the demand for a refund by a student or the parent or legal guardian of a student or the implementation of alternative enrollment for the students enrolled in the institution, and the principal on the surety bond filed pursuant to section 305J-14(d) shall pay the claim due in a timely manner. To the extent practicable, the director shall use the amount of the surety bond to provide alternative enrollment for students of the institution that ceases operation through a contract with another authorized private college or university, the University of Hawaii system, an area vocational school, or any other arrangement that is acceptable to the department. The alternative enrollment provided to a student shall replace the original enrollment agreement, if any, between the student and the private college or university; provided that the student shall make tuition and fee payments as required by the original enrollment agreement, if any.

(c) A student who is enrolled in a private college or university that ceases operation and who declines the alternative enrollment required to be offered pursuant to subsection (b) may file a claim with the department for the student's prorated share of the prepaid, unearned tuition and fees that the student paid, subject to the limitations of subsection (d). The department shall not make a subsequent payment to a student, unless the student submits proof of satisfaction of any prior debt to a financial institution in accordance with rules adopted by the director.

(d) If the amount of the surety bond filed under section 305J-14(d) is less than the total prepaid, unearned tuition and fees that have been paid by students at the time that the private college or university ceases operation, the department shall prorate the amount of the surety bond among the students.

(e) This section shall apply only to those students enrolled in the private college or university at the time it ceases operation, and once a private college or university ceases operation, no new students shall be enrolled therein.

(f) The director shall determine whether offering alternative enrollment for students enrolled in an authorized private college or university that ceases operation is practicable without the federal government's designation of the department as trustee for student loans, Pell grants, and other student financial aid assistance.

(g) If a private college or university ceases to operate in the State, the department of the attorney general may file a claim against the private college or university to recover restitution for the enrolled students of the private college or university.

(h) A seminary or religious training institution shall not be subject to the requirements of this section.

[§305J-16] Reciprocity. The director may enter into any post-secondary education authorization reciprocity agreement; provided that the authorization standards of the reciprocity agreement shall be comparable to or exceed the authorization requirements of this chapter and any applicable administrative rules.

[§305J-17] Complaints; injunctive proceedings. (a) A student or former student of the University of Hawaii system, a private college or university, seminary, or religious training institution may file a complaint with the department concerning the institution at which the student is or was enrolled; provided that if a former student files a complaint, the complaint shall be filed within two years after the former student discontinued enrollment at the institution; provided that the two year restriction on complaints shall not apply to complaints related to obtaining transcripts.

(b) The department may investigate complaints based on possible violations of this chapter or rules adopted hereunder. The department may initiate and investigate complaints based on information the department receives concerning possible violations of this chapter or rules adopted hereunder.

(c) Nothing in this section shall give the department jurisdiction to consider complaints that infringe on the academic or religious freedom of, or question the curriculum content of, a private college or university, seminary, or religious training institution.

(d) Upon receipt of a complaint pursuant to [subsection] (a) or (b), the department shall determine whether the complaint was properly filed. The complaint shall warrant investigation only after the student or former student has exhausted all administrative remedies available at the University of Hawaii system, private college or university, seminary, or religious training institution; provided that if the complaint involves a violation of state or federal criminal law, this requirement shall not apply. If a complaint warrants investigation, the department shall forward the complaint to the University of Hawaii system, private college or university, seminary, or religious training institution. The University of Hawaii system, private college or university, seminary, or religious training institution shall have thirty days to respond in writing to the complaint. During the thirty-day period, the University of Hawaii system, private college or university, seminary, or religious training institution, with the department's assistance, may attempt to resolve the complaint with the student. If the department determines at any time that the complaint no longer warrants investigation, the department shall dismiss the complaint.

- (e) If a complaint is not resolved within the thirty-day period, the department may:
 - (1) Dismiss the complaint based on the response of the University of Hawaii system, private college or university, seminary, or religious training institution;
 - (2) Investigate and, where appropriate, take disciplinary action in a manner consistent with chapter 91.

[§305J-18] Fees; public hearing. (a) An institution applying for authorization shall pay \$10,000 to the department upon application for authorization under this chapter and every two years thereafter upon application for reauthorization.

(b) The director may assess fees as provided in this chapter and, notwithstanding any other law to the contrary, may change the amount of the fees required by this section at any time without regard to chapter 91, if the director:

- (1) Holds at least one public hearing to discuss and take testimony on the proposed fee change; and
 - (2) Provides public notice at least thirty days prior to the date of the public hearing.
- (c) Fees collected pursuant to this section shall be deposited into the post-secondary education authorization subaccount established pursuant to section 26-9(o).

[§305J-19] Post-secondary education authorization special subaccount. (a) All moneys collected pursuant to section 305J-18 shall be deposited into the post-secondary education authorization special subaccount of the compliance resolution fund established pursuant to section 26-9(o).

(b) Any law to the contrary notwithstanding, the moneys in the special subaccount shall be used to fund the operations of the department to carry out its duties under this chapter. Any law to the contrary notwithstanding, the director may use the moneys in the special subaccount to employ personnel to carry out the department's duties under this chapter. The moneys in the special subaccount may be used to train personnel as the director deems necessary and for any other activity related to this chapter.

[§305J-20] Candidates for accreditation; requirements; sanctions. (a) A candidate for accreditation shall:

- (1) Provide an accreditation plan that, at a minimum, identifies an accrediting agency recognized by the United States Department of Education from which the candidate will seek accreditation, covers the offering of at least one degree program, and outlines the process by which the candidate will achieve accreditation;
- (2) Provide all additional documentation the department deems necessary to determine if the candidate for accreditation will become fully accredited within five years of its provisional authorization to operate. Additional documentation may include financial statements as required by the accrediting agency, documentation of accrediting agency's required accreditation applicant workshop and a self-evaluation report;
- (3) Provide written notification to students, prior to the execution of any student enrollment agreement, that the approval to offer a degree program is contingent

upon the candidate for accreditation being subsequently accredited. The student and the candidate's representative shall initial and date the notice prior to executing any enrollment agreement. An initialed copy of the notice shall be given to the student and the original shall be retained in the enrolled student's records;

- (4) Provide written disclosures in the candidate's catalog, website, and brochures that the candidate's approval to offer a degree program is contingent upon the candidate being subsequently accredited;
- (5) Pay an annual fee of \$5,000; and
- (6) File with the director a surety bond in favor of the State in the amount of \$50,000. The surety bond shall be executed by the candidate for accreditation as the principal and by a surety company authorized to do business in the State and shall run concurrently with the provisional authorization period and any period of reauthorization, unless terminated or canceled by the surety company. The surety bond shall be conditioned as follows: That the candidate for accreditation shall satisfy all claims of any student or enrollee of the candidate for accreditation, or of any parent or legal guardian of a student or enrollee of the candidate for accreditation, whom the director finds to have suffered a loss of tuition or fees as a result of an act or practice that is a violation of this chapter.

(b) If a candidate for accreditation ceases operation, the director may make demand on the surety bond upon the claim for a refund by a student or the parent or legal guardian of a student, and the surety on the surety bond shall pay the claim in a timely manner. The student or a parent or legal guardian of the student who claims loss of tuition or fees as a result of the cessation of operations of a candidate for accreditation may file a claim with the department if the claim results from an act or practice that violates this chapter. If the amount of the surety bond is less than the total prepaid, unearned tuition and fees that have been paid by students at the time that the candidate for accreditation ceases operation, the department shall prorate the amount of the surety bond among the students. This subsection shall apply only to those students enrolled at a candidate for accreditation at the time it ceases operation.

(c) A candidate for accreditation that is no longer covered by a surety bond as required by this section or that fails to obtain accreditation within the required time frame with no extension of time for good cause shall have its provisional authorization automatically suspended pursuant to section 305J-12(a) and shall immediately cease enrolling new students.

(d) A candidate for accreditation's failure to reinstate a suspended provisional authorization within sixty days of suspension shall result in the revocation of the authorization, and the candidate shall forfeit all fees. The candidate shall provide written notice to all students within thirty days following the date of revocation.

(e) A candidate for accreditation that fails to obtain accreditation within the required time frame or that elects to stop pursuing accreditation shall refund students for any classes students are currently enrolled in or have not yet completed and shall comply with any applicable rules, policies, and procedures for closures of institutions or transition to a non-accredited status.

(f) Any candidate for accreditation that violates this chapter may be subject to one or more of the sanctions provided by section 305J-11(c).
