Old Business: a. Rule Revisions

Chair Montalbo asked if there are any members of the public who would like to provide oral testimony on this agenda item, to which there were none.

i. Process Update

Ms. Green stated that she received the final copy of the document and she will be sending it over to DAG Leong for review.

b. Updating licensure exam questions

i. Fumigation questions and calculator

Chair Montalbo stated that the committee met, transmitted the updated exam questions to Prometric, and is waiting to hear back from them to proceed forward.

Ms. Green said that she can follow up with Prometric to request a status update.

c. Pest Control Operator, Responsible Managing Employee (RME) – Training and Supervisory Experience for Additional Class

Ms. Green stated that this is in response to the Board's request at the last meeting. We have created an Associated Training form for a PCO who received training from a PCO/RME of another entity. It is similar to the PCFR Associated Training Form that was recently approved by the Board.

The first two pages of the Experience Certificate Form are the original pages that PCOs submit with the application. Page three is the Associated Training Form, pages four and five are the notary pages, and is similar to what was approved for the PCFR Associated Training Form

It was motioned by Vice Chair Lau, seconded by Mr. Takeshima, and unanimously carried by roll call vote to approve the forms for Ms. Green to post to the website.

2021 Legislative Session: a.

S.B. 233, Relating to Bees
