

CONTRACTORS LICENSE BOARD
Professional and Vocational Licensing Division
Department of Commerce and Consumer Affairs
State of Hawaii

AGENDA

Date: May 22, 2026

Time: 9:00 a.m.

Place: In-Person Meeting Location: King Kalakaua Conference Room
HRH King Kalakaua Building
335 Merchant Street, First Floor
Honolulu, Hawaii 96813

‘Ōlelo TV: Subject to the availability of ‘Ōlelo personnel, members of the public may also view the meeting by televised live broadcast on ‘Ōlelo TV.

Agenda: The agenda was posted on the State electronic calendar as required by Hawaii Revised Statutes (“HRS”) section 92-7(b).

If you wish to submit written testimony on any agenda item, please email your testimony to contractor@dcca.hawaii.gov or by hard copy mail to: Attn: Contractors License Board, P.O. Box 3469, Honolulu, HI 96801. We request submission of testimony at least 24 hours prior to the meeting to ensure that it can be distributed to the Board members.

Call to Order:

Minutes: Approval of March 2 2026, April 6, 2026, and May 11, 2026 Applications Committee Minutes; approval of the February 20, 2026 Open Session Board Meeting Minutes; and approval of the August 22, 2025 and February 20, 2026 Executive Session Board Meeting Minutes.

Committee Reports:

1. Scope of Activity Committee:
Paul Alejado and John Polischeck, Co-Chairpersons
 - a. David Ha, University of Hawaii
5992 Hale Ao Renovation, Windward Community College

Requests a determination regarding the following:

- i. Are the contractor and subcontractor properly licensed based on their proposed scope separation?

The contractor is EBJ Construction Inc, which holds the “B” General building and C-31 Masonry classifications. The subcontractor is Drill Pro Company (trade name for Bruce

St Germain) olds the C-35 Pile driving, pile and caisson drilling and foundation and the C-57 Well classifications.

d. Joseph Alex, Kula Trucking Services LLC

Requests a determination regarding the following:

- i. Requests a determination on whether a contractor's license is required for services provided on the Hart Rail Project Phase 3.

Chapter 91, HRS,
Adjudicatory
Matters:

1. Settlement Agreements - None

2. Petition for Declaratory Relief

- a. In the Matter of the Petition of Toshiba American Energy Systems Corporation for Declaratory Relief

Reconvene
to Chapter 92
Meeting:

The Board may enter into Executive Session to consider and evaluate personal information relating to individuals applying for professional or vocational licenses in accordance with Hawaii Revised Statutes section 92-5(a)(1), and to consult with the board's attorney on questions and issues pertaining to the Board's powers, duties, immunities, and liabilities in accordance with Hawaii Revised Statutes section 92-5(a)(4).

Results of February, March and April 2026 examinations

Correspondence
To the Board:

The Board may enter into Executive Session to consider and evaluate personal information relating to individuals applying for professional or vocational licenses in accordance with Hawaii Revised Statutes section 92-5(a)(1), and to consult with the board's attorney on questions and issues pertaining to the Board's powers, duties, immunities, and liabilities in accordance with Hawaii Revised Statutes section 92-5(a)(4).

1. Letter from the SAH – Subcontractors Association of Hawaii
Tim Lyons, CAE, President

Support of Educational Efforts – Information Only

2. Letter from Siemens
Chris Mallin, Project Management Office Head

Request to void Parent Guaranty

2025 Legislation

1. Relating to Remedies

- a. HB 1900, HD 1HD 1

Repeals the leasing restriction on owner-builders who obtain an owner-builder exemption to act as their own contractor and who build or improve residential or farm buildings or structures on property they own or lease and do not offer the buildings or structures for sale. Requires an owner or lessee to provide signed written notice that a residential structure offered for lease or sublease was built or improved by an individual who is not a licensed contractor. Effective 7/1/3000.

2. Relating to the Owner-Builder Exemption

a. HB 1743, HD1

Repeals the leasing restriction on owner-builders who obtain an owner-builder exemption to act as their own contractor and who build or improve residential or farm buildings or structures on property they own or lease and do not offer the buildings or structures for sale. Requires an owner or lessee to provide signed written notice that a residential structure offered for lease or sublease was built or improved by an individual who is not a licensed contractor. Effective 7/1/3000.

3. Relating to Consumer Protection

a. HB1644, HD2, SD1

Requires purchase, lease, and power purchase agreements for residential solar energy devices to include a cover page with certain required disclosures. Requires any person or entity that markets, sells, leases, or solicits a residential solar energy device or markets, sells, or solicits power purchase agreements to comply with consumer protection laws. Prohibits any person or entity from installing, marketing, offering financing, or engaging in customer acquisition for a residential solar energy device without holding a contractor's license or having a contractual affiliation with a licensed contractor. Allows for rescission or cancellation of the agreement. Specifies that agreements in violation of the law are voidable. Effective 7/1/3000.

b. SB2032, SD2, HD1

Requires purchase, lease, and power purchase agreements for residential solar energy devices to include a cover page with certain required disclosures. Requires any person or entity that markets, sells, leases, or solicits a residential solar energy device or markets, sells, or solicits power purchase agreements to comply with consumer protection laws. Prohibits any person or entity from installing, marketing, offering financing, or engaging in customer acquisition for a residential solar energy device without holding a contractor's license or having a contractual affiliation with a licensed contractor. Allows for rescission or cancellation of the agreement. Specifies that agreements in violation of the law are voidable. Effective 7/1/3000.

4. Relating to Housing

a. HB1721, HD2, SD2, CD1

Clarifies insurance, indemnification, and certain certificate of occupancy requirements for purposes of expedited permits. Requires state or county inspectors to inspect all projects with expedited permits. Repeals 6/30/2031.

5. Relating to Government Contracting

a. HB 2295

Raises the ceiling for the prevailing wages exemption on public works construction projects from \$2,000 to \$5,000 for governmental contracting agencies. Creates exemption to contractors licensing laws for public works construction projects valued up to \$5,000 for governmental contracting agencies.

b. SB 3114

Raises the ceiling for the prevailing wages exemption on public works construction projects from \$2,000 to \$5,000 for governmental contracting agencies. Creates exemption to contractors licensing laws for public works construction projects valued up to \$5,000 for governmental contracting agencies.

World Wide Technology LLC
David J Franklin, RME
C-15b Telecommunications
Approved: January 2026

It was moved by Mr. Lau, seconded by Mr. Suehiro, and unanimously carried to approve the amendments to the agenda.

Review of License
Applications and
Recommendations to the
Contractors License Board:

Chairperson Alejado, Executive Officer Shahan, and Executive Officer Kossow read the Applications Committee's recommendations to the Contractors License Board ("Board") for the applications on the agenda.

It was moved by Mr. Lau, seconded by Mr. Polischek, and unanimously carried to approve the attached Applications Committee Recommendations.

Next
Applications
Committee
Meeting:

April 6, 2026

Adjournment: There being no further business to discuss, the meeting was adjourned at 2:35 p.m.

Taken and recorded by:

/s/ Kerrie Shahan
Kerrie Shahan
Executive Officer

03/02/2026

[] Minutes approved as is.

[] Minutes approved with changes. See minutes of _____.

Applications for Contractors License

3.a. Request for Change in Business Status

1. David K Kamakea III, RME (Reactivation)
HIS Mechanical Inc
C-37 Plumbing
2. Sean G Lathrop (Individual) (RME to Sole proprietor)
"B" General building
3. Mathew J Ricci, RME (Reactivation)
Michels Construction Inc
"A" General engineering

3.b. Request for Waiver of Bond Requirement

3.c. Applications

A: Approve applications, subject to all requirements except examinations.

4. ADX Construction Inc
Armando Alcantara, RME
"B" General building
5. Hugh A Chang (Individual)
C-13 Electrical
6. Hale Ka`a Doors LLC
Federico J Meloni, RME
C-5a Garage door and window shutters
C-48a Steel door
7. Hitachi Rail Honolulu JV (Additional classification)
Andrew M Curtis, RME

It was moved by Mr. Lau, seconded by Mr. Polischeck, and unanimously carried to approve the amendments to the agenda.

Review of License
Applications and
Recommendations to the
Contractors License Board:

Chairperson Alejado, Executive Officer Shahan, and Executive Officer Kossow read the Applications Committee's recommendations to the Contractors License Board ("Board") for the applications on the agenda.

Chairperson Alejado asked if there was anyone wishing to provide oral testimony. Eric Aldred, Water Resources International was recognized and stated that his application (number 25 on page 5) was not read and asked for the Committee's recommendation. Executive Officer Shahan stated that the Committee had deferred his application.

It was moved by Mr. Lau, seconded by Mr. Suehiro, and unanimously carried to approve the attached Applications Committee Recommendations.

C-33 Painting and decorating
APPROVED: April 2026

6. **REMOVE, Page 23, No. 180**

Clayton J Timmer, RME
Readyman Services Inc
C-37 Plumbing
APPROVED: April 2026

It was moved by Mr. Lau, seconded by Mr. Suehiro, and unanimously carried to approve the amendments to the agenda.

Review of License
Applications and
Recommendations to the
Contractors License Board:

Chairperson Alejado, Executive Officer Shahan, and Executive Officer Kim read the Applications Committee's recommendations to the Contractors License Board ("Board") for the applications on the agenda.

Chairperson Alejado asked if there was anyone wishing to provide oral testimony. There were none.

It was moved by Mr. Suehiro, seconded by Mr. Inouye, and unanimously carried to approve the attached Applications Committee Recommendations.

Next
Applications
Committee

Meeting: June 1, 2026

Adjournment: There being no further business to discuss, the meeting was adjourned at 2:41 p.m.

Taken and recorded by:

/s/ Kerrie Shahan
Kerrie Shahan
Executive Officer

Ryan Takahashi, Hawaii Electricians Market Compliance Program (HEMCP)
Wilson G. F. Liang, Weston Solutions Inc.
Ryan Eslava, RyGuy Auto LLC
Sandy Ma, Regulated Industries Complaints Office (RICO)
Irene Chow, Interpreter

Call to Order: There being a quorum present, Chairperson Nishek called the meeting to order at 9:07 a.m.

Agenda: The agenda was posted on the State electronic calendar as required by Hawaii Revised Statutes ("HRS") section 92-7(b).

Minutes: It was moved by Mr. Alejado, seconded by Mr. Polischek, and unanimously carried to approve February 12, 2026, Applications Committee Minutes; the Open Session and Executive Session Board Meeting Minutes of January 23.

Committee Reports:

1. Scope of Activity Committee:

Paul Alejado and John Polischek, Co-Chairpersons

a. Ryan Eslava

Is a contractor's license required to create and sell a portable solar powered trailer?

Mr. Eslava explained his intent to manufacture solar generators designed for emergency deployment or farm use, intended to provide power in remote locations. He stated that he would primarily be the manufacturer and seller, stating he would not be acting as an electrician or performing installations into a permanent structure.

Mr. Suehiro confirmed with Mr. Eslava that the unit would be on a trailer, would not be laboratory listed, and that Mr. Eslava would not be installing it. Mr. Suehiro advised that if grounding is performed onsite, a C-13 Electrical Contractor license is required. Mr. Suehiro also recommended that Mr. Eslava to determine if an Underwriters Laboratory Listing (ULL) would be required to sell the units to the public, regardless of installation.

Mr. Polischek clarified that the discussion was limited to whether a C-13 license is required and indicated the unit could be sold.

Mr. Alejado recommended that although selling the unit would not require a license, bringing the unit onsite and performing grounding would require a C-13 Electrical contractor license.

Based solely on the information and oral testimony provided, Mr. Alejado made the motion, seconded by Mr. Polischek, and unanimously carried, to approve the recommendations of the Scope Committee on item (a).

Chapter 91, HRS,
Adjudicatory
Matters:

Chairperson Nishek called for a recess from the Board's meeting at 9:14 a.m. to discuss and deliberate adjudicatory matters pursuant to HRS chapter 91.

1. Settlement Agreements

- a. In the Matter of the Contractors' Licenses of Fullmer Brother's Construction, LLC, doing business as FBC Roofing, and David R. Fullmer; Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order; CLB 2025-296-L

Following discussion, Mr. Polischek made the motion, seconded by Mr. Alejado, and unanimously carried, to approve the Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order: CLB 2025-296-L

Executive
Session:

At 9:21 a.m., the Board reentered Open Session.

Mr. Lau motioned to move item "e" under Appearances to the first appearance, seconded by Mr. Polischek, and unanimously carried.

At 9:23 a.m. it was moved by Mr. Polischek, seconded by Mr. Suehiro, and unanimously carried to enter into executive session pursuant to HRS section 92-5(a)(1), to consider and evaluate personal information relating to individuals applying for professional or vocational licenses cited in HRS section 26-9, and to consult with Jordan Ching, Deputy Attorney General, on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities pursuant to HRS section 92-5(a)(4).

At 12:33 p.m., it was moved by Mr. Polischek, seconded by Mr. Alejado, and unanimously carried, to move out of executive session and to reconvene to the Board's regular order of business.

Appearances
Before the Board:

- a. JiKuang Yu (Individual)
"B" General building

After discussion, JiKuang Yu withdrew his application for licensure in the "B" General building classification.

- b. Kevin Thompson, RME
Bellingham Marine Industries Inc
"A" General engineering

Mr. Thompson was unable to attend and requested to be deferred to the March meeting. It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer Mr. Kevin Thompson and Bellingham Marine Industries Inc. applications in the "A" General engineering classification.

- c. Melvin H Moisa (Individual)
"B" General building

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer Melvin Moisa's application for licensure in the "B" General building classification pending the submittal of a revised project list verifying forty-eight months of his on-site supervision and direction of his employees performing work in the broad scope of the "B" General building classifications.

- b. Michael R Tinoco, RME
Commercial Shelving Inc
"B" General building
C-48a Steel door

After discussion, Michael Tinoco withdrew his request for a "B" General building classification and changed his application to the C-5 Cabinet, millwork, and carpentry remodeling and repairs classification. It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer Commercial Shelving Inc. and Mr. Tinoco's RME application in the C-5 Cabinet, millwork, and carpentry remodeling and repairs and the C-48a Steel door classifications pending submission of revised project lists verifying forty-eight months of his on-site supervision and direction of his employees performing work in the broad scope of the "C-5 Cabinet, millwork, and carpentry remodeling and repairs and C-48a Steel door classifications, and an additional Experience Certificate.

- c. Clear Water Mechanical Plumbing & Underground LLC
Selso Guerra, RME
C-37 Plumbing

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer Clear Water Mechanical Plumbing & Underground LLC and

Selso Guerra, RME applications in the C-37 Plumbing classification pending submittal of a revised project list verifying forty-eight months of his on-site supervision and direction of his employees performing work in the broad scope of the C-37 Plumbing classification.

- d. SCL Builders LLC
Sebastian C Lancelotti, RME
"B" General building

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to approve SCL Builders LLC and Sebastian C Lancelotti's RME applications for examination in the "B" General building classification.

- e. Ducky Recovery LLC
Daniel P McKearan, RME
"B" General building

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer Ducky Recovery LLC and Mr. Daniel P McKearan's, RME application for licensure in the "B" General building classification pending submittal of a revised project list verifying forty-eight months of his on-site supervision and direction of his employees performing work in the broad scope of the "B" General building classification.

- f. Travis F Corpe, RME
Kenwood Construction LLC
"B" General building

After discussion, Travis Corpe withdrew his request for a "B" General building classification and changed his application to the C-5 Cabinet, millwork, and carpentry remodeling and repairs classification. It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to approve Kenwood Construction, LLC and Mr. Corpe's, RME applications for examination in the C-5 Cabinet, millwork, and carpentry remodeling and repairs classification.

- g. Crabbe Services LLC
Russell Crabbe, RME
C-31 Masonry

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to deny Crabbe Services LLC and Russell Crabbe's, RME applications in accordance with 444-11(a)(2) and Hawaii Administrative Rules ("HAR") sections 16-77-11(a) for lack of experience.

- h. Wilson G F Liang, RME
Weston Solutions Inc
"A" General engineering

After discussion, Wilson Liang withdrew his application for licensure in the "A" General engineering classification.

- i. Moku Air LLC
Brandon N Fernandez, RME
C-40 Refrigeration

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer Moku Air LLC and Brandon N Fernandez', RME applications for licensure in the C-40 Refrigeration classification pending submittal of a revised project list verifying forty-eight months of his on-site supervision and direction of his employees performing work in the broad scope of the C-40 Refrigeration classification.

- j. DCSK Plumbing LLC
Sky Baski, RME
C-37 Plumbing

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer DCSK Plumbing LLC and Sky Baski', RME applications for licensure in the C-37 Plumbing classification pending submittal of a revised project list verifying forty-eight months of his on-site supervision and direction of his employees performing work in the broad scope of the C-37 Plumbing classification.

- k. Jeremy James Maddox (Individual)
C-15a Fire and burglar alarm

Mr. Maddox was unable to attend and requested to be deferred to the March meeting. It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to defer Jeremy James Maddox for the C-15a Fire and burglar alarm classification.

- I. Elite Plus Real Estate – Orem A Professional Limited Liability Company
Michael K Matsuzaki, RME
“B” General building
C-17 Excavation

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to deny Elite Plus Real Estate – Orem A Professional Limited Liability Company and Michael K Matsuzaki, RME applications in accordance with 444-11(a)(2) and Hawaii Administrative Rules (“HAR”) sections 16-77-11(a) for lack of experience.

Committee Reports:

1. Applications Committee Report
Kerrie Shahan, Executive Officer

- a. One Landscape Company LLC
Mason D Edmonds, RME
C-27 Landscaping

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to approve One Landscape Company LLC and Mason D Edmonds', RME applications for examination in the C-27 Landscaping classification.

- b. Honolulu Electric LLC
Lenny Hatori, RME
C-13 Electrical

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to approve Honolulu Electric LLC and Lenny Hatori's, RME applications for examination in the C-13 Electrical classification.

1. Conditional License Report
Kerrie Shahan, Executive Officer

- a. Kekoakaulanakekuhaupio Kamalani, RME
Kekoa Kamalani LLC

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to remove the conditions placed on the licenses of Kekoa Kamalani LLC and Kekoakaulanakekuhaupio Kamalani.

- b. Edward A Curti III, RME
Ekolu Electric LLC

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to amend the conditions placed on the licenses of Edward A Curti III, RME and Ekolu Electric LLC in accordance with HRS section 444-4(1) and HAR section 16-77-24.

- c. Kahakai Services LLC
David B Thielen RME
"A" General engineering
"B" General building

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, unanimously carried to approve Kahakai Services LLC and Joseph M Arakai-Poepoe's RME applications for licensure in the "A" General engineering and "B" General building classifications subject to semiannual reports on financial matters in accordance with HRS section 444-4(1) and HAR section 16-77-24.

2. Applications Committee Recommendations (list attached)

- a. Request for Change in Business Status
- b. Request for Waiver of Bond Requirement
- c. Applications for Licensure

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried to approve, defer, deny, or withdraw the license applications on the Applications Committee Attachment in the above categories as attached to the meeting minutes.

3. Ratifications

- a. Dani Carl C Palumo, RME
A.H. Construction LLC
"B" General building
C-1 Acoustical and Insulation
C-36 Plastering

It was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried, to ratify the license of Dani Carl C Palumo, RME in the "B" General building, C-1 Acoustical and Insulation, and C-36 Plastering classifications.

4. Owner-Builder Exemption Applications

a. Benjamin Locke

Following discussion it was moved by Mr. Higashihara, seconded by Mr. Alejado, and unanimously carried to approve Benjamin Locke's request for an owner builder exemption to chapter 444, Hawaii Revised Statutes.

5. Examination Committee

Jerry Nishek, Chairperson

The Contractors Examination summaries for January 2026 were distributed to the Board for their information.

2026 Legislation

1. Relating to Remedies

a. HB 1900, HD 1

Prohibits actions based on a building code violation unless the violation was a material violation of the building code. Specifies that claimants must comply with the Contractor Repair Act and bars persons from joining a class action for failure to comply with the Contractor Repair Act. Repeals the requirement that inspections and testing be completed within nine months. Deletes duplicative language for when persons may accept a settlement offer. Limits the amount a claimant can recover if the claimant rejects a contractor's reasonable proposal for inspection or a reasonable offer to remedy.

The House Committee on Consumer Protection and Commerce (CPC) held a hearing on H.B. 1900 on February 3, 2026, and passed the bill with the following amendments:

- (1) Reverting to the existing statutory language with respect to:
 - (A) The ten-year statute of repose for damages based on construction to improve real property;
 - (B) The effect of the ten-year statute of repose on other statutes of limitations;
 - (C) The contents of a notice of claim for construction defect; and
 - (D) The timeframe for a claimant to accept a proposal to inspect the premises for an asserted construction defect; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

Board position: TRACK

2. Relating to the Owner-Builder Exemption

a. HB 1743

Repeals the leasing restriction on owner-builders who obtain an owner-builder exemption to act as their own contractor and who build or improve residential or farm buildings or structures on property they own or lease and do not offer the buildings or structures for sale. Requires an owner or lessee to provide signed written notice that a residential structure offered for lease or sublease was built or improved by an individual who is not a licensed contractor.

The House Committee on Housing (HSG) held a hearing on H.B. 1743 on February 3, 2026.

The Board submitted testimony that has historically opposed similar measures. The bill would repeal the one-year leasing restriction and remove the requirement that owner-builders construct residential or farm structures for their own use or that of specified family members, while requiring written notice if a leased structure was built by an unlicensed individual. The Board opposed similar measures because these longstanding limitations are intended to prevent abuse of the owner-builder exemption to circumvent contractor licensing laws.

The House Committee on Housing (HSG) passed the bill with the following amendments:

- (1) Changing the effective date to July 1, 3000, to encourage further discussion.

Board position: OPPOSE (based on reasons above)

3. Relating to the Insurance Fraud

a. SB2948

Increases the scope of insurance fraud and certain offenses. Augments offenses by contractors and insurers during a declared emergency. Clarifies the penalties for the offense of insurance fraud and the capabilities and operations of the Insurance Fraud Investigations Branch, including the annual report to the Legislature and the protection of sensitive information. Adds protection for insurance fraud whistleblowers. Authorizes the Insurance Commissioner to

establish a centralized database for authorized agencies to track insurance fraud data. Appropriates funds.

The Senate Committee on Commerce and Consumer Protection (CPN) held a hearing on S.B. 2948 on February 11, 2026, and passed the bill with the following amendments:

- (1) Deleting the definitions of "claims harvesting" and "post-loss assignment abuse" to avoid overlap with existing statute;
- (2) Deleting language that would have enabled the National Council of Insurance Legislators to access the centralized insurance fraud database;
- (3) Inserting language that clarifies disclosures on the database shall adhere to chapter 92F, Hawaii Revised Statutes;
- (4) Inserting language that clarifies that an insurance professional who reasonably relies on information from a third-party shall not be found to have knowingly omitted material facts;
- (5) Deleting language that would have changed the value threshold for violations and restoring existing statutory language;
- (6) Deleting language that would have required the Insurance Commissioner to require certain contractors to maintain proof of bonding or financial responsibility as a condition of engaging in insured contracting activity and instead inserting language that clarifies that the Insurance Commissioner may coordinate with certain authorities to assure contractor financial responsibility;
- (7) Inserting an effective date of July 1, 2050, to encourage further discussion; and
- (8) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

The Board commented that S.B. 2948 appears to allow the insurance industry to encroach into areas already regulated under existing contractor laws, particularly regarding contractor oversight and financial responsibility. The Board noted that current law already addresses many of the bill's objectives, suggesting that additional statutory changes may be unnecessary.

Board Position: COMMENT (HRS 444 and HAR 16-77 already require financial integrity).

b. HB2379

Increases the scope of insurance fraud and certain offenses. Augments offenses by contractors and insurers during a declared emergency. Clarifies the penalties for the offense of insurance fraud and the capabilities and operations of the Insurance Fraud Investigations Branch, including the annual report to the Legislature and the protection of sensitive information. Adds protection for insurance fraud whistleblowers. Authorizes the Insurance Commissioner to establish a centralized database for authorized agencies to track insurance fraud data. Appropriates funds.

Board Position: COMMENT (HRS 444 and HAR 16-77 already require financial integrity).

4. Relating to Consumer Protection

a. HB1644

Requires any person or entity selling a residential solar energy device to comply with consumer protection laws. Prohibits the sale of a residential solar energy device without a contractor's license or contractual affiliation with a licensed contractor. Requires a standardized disclosure form to be developed by the Department of Commerce and Consumer Affairs for use in all residential solar proposals and contracts.

The House Committee on Energy & Environmental Protection (EEP) held a hearing on H.B. 1644 on February 11, 2026, and passed the bill with the following amendments:

- (1) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

The Board commented that the bill would require individuals or entities selling residential solar energy devices to comply with consumer protection laws, prohibit sales without a contractor's license or affiliation with a licensed contractor, and mandate a standardized disclosure form, may be inconsistent with section Hawaii Administrative Rules (HAR) 16-77-4 regarding contractor sales requirements. The Board indicated concern about potential conflicts or overlap with existing administrative rules governing contractor solicitation and sales activities, suggesting that clarification is needed.

Board position: COMMENT (based on discussion above).

b. SB2032, SD 1

Requires any person or entity selling a residential solar energy device to comply with consumer protection laws. Prohibits the sale of a residential solar energy device without a contractor's license or contractual affiliation with a licensed contractor. Requires a standardized disclosure form to be developed by the Department of Commerce and Consumer Affairs for use in all residential solar proposals and contracts. (SD1)

The Senate Committee on Energy and Intergovernmental Affairs (EIG) held a hearing on S.B. 2032 on February 3, 2026.

The Board offered testimony that the measure would require compliance with consumer protection laws for residential solar sales, prohibit sales without proper contractor licensure or contractual affiliation, and mandate a standardized disclosure form. The Board noted that the term "contractual affiliation" may require clearer definition.

The Senate Committee on Energy and Intergovernmental Affairs (EIG) passed S.B. 2032 with the following amendments:

- (1) Requiring the disclosure form required for the sale of a residential solar energy device to include both the total system cash price and financing price;
- (2) Exempting small portable solar generation devices from the disclosure requirements for solar energy devices; and
- (3) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

Board position: COMMENT (based on discussion above).

5. Relating to County Labor Standards

a. HB1660, HD 1

Authorizes the counties to require contractors to disclose information regarding their employees' wages, benefits, hours, and employment status and deny, revoke, or suspend a building permit application for violating laws relating to wages, benefits, hours, and employment status, under certain conditions. Effective 7/1/3000. (HD1)

The House Committee on Labor (LAB) held a hearing on H.B. 1660 on February 3, 2026.

The Committee passed the measure with amendments:

- (1) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for clarity, consistency, and style.

On February 12, 2026 the House Committee on Consumer Protection & Commerce (CPC) held a hearing on H.B. 1660 H.D. 1.

The Committee passed the measure without amendments.

The Board expressed concern that the bill does not address contractor recourse and that penalizing permits ultimately harms property owners rather than contractors, potentially causing project delays, increased costs, and financial hardship.

Board position: COMMENT (based on discussion above).

b. SB2140

Authorizes the counties to require contractors to disclose information regarding their employees' wages, benefits, hours, and employment status and deny, revoke, or suspend a building permit application for violating laws relating to wages, benefits, hours, and employment status, under certain conditions.

The Senate Committee on Labor and Technology (LBT) held a hearing on S.B. 2140 on February 6, 2026.

The Committee passed the measure with no amendments.

Board position: COMMENT (based on discussion above).

6. Relating to Housing

a. HB2362, HD1

Requires the counties to automatically approve permits for hurricane retrofitting under certain conditions. Effective 7/1/3000. (HD1)

The House Committee on Housing (HSG) held a hearing on H.B. 2362 on February 6, 2026, and passed the measure with the following amendments.

- (1) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

Board position: REMOVE from tracking list.

b. HB1721, HD1

Clarifies insurance, indemnification, and certain certificate of occupancy requirements for purposes of expedited permits. Repeals 6/30/2031. Effective 7/1/3000. (HD1)

The House Committee on Housing (HSG) heard H.B. 1721, H.D. 1 on February 4, 2026.

The Committee passed as amended:

- (1) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (2) Making a technical, nonsubstantive amendment for the purposes of clarity, consistency, and style.

Board position: TRACK

7. Relating to State Construction Projects

a. HB2514

Establishes the Office of the State Construction Manager within the Department of Accounting and General Services, overseen by the State Construction Manager, to organize, manage, and oversee design review of, and issue design approvals for, state construction projects. Exempts state construction projects from county building permit, inspection, and certificate of occupancy requirements under certain circumstances, as determined by the State Construction Manager. Establishes the Design Review Special Fund and appropriates funds into and out of the fund.

Board position: REMOVE tracking list.

b. SB2543

Establishes the Office of the State Construction Manager within the Department of Accounting and General Services,

overseen by the State Construction Manager, to organize, manage, and oversee design review of, and issue design approvals for, state construction projects. Exempts state construction projects from county building permit, inspection, and certificate of occupancy requirements under certain circumstances, as determined by the State Construction Manager. Establishes the Design Review Special Fund and appropriates funds into and out of the fund.

Board position: REMOVE tracking list.

8. Relating to State Construction Projects

a. HB1984, HD 11

By 7/1/2027, requires government entities in the State that issue building permits to establish a self-certification process for behind-the-meter, customer-sited solar distributed energy resource systems that deems permit applications approved and allows applicants to proceed to build solar distributed energy resource systems immediately. Requires government entities in the State that issue building permits to develop guidance for determining specific conditions when a Federal Emergency Management Agency-mandated No-Rise Certification is not required for a solar distributed energy resource system located in a regulatory floodway. Effective 7/1/3000. (HD1)

The Committee on Energy & Environmental Protection (EEP) held a hearing on February 5, 2026, and amended the measure by:

- (1) Inserting a deadline of July 1, 2027, for government entities to establish the self-certification processes;
- (2) Exempting member-owned electric cooperatives from the self-certification process requirement;
- (3) Changing the effective date to July 1, 3000, to encourage further discussion; and
- (4) Making technical, nonsubstantive amendments for the purposes of clarity, consistency, and style.

The House Committee on WAL held a hearing on February 10, 2026, and passed as amended in HD1.

Testimony was prepared to offer comments, re: the Board does not object to the intent of this bill to lower administrative barriers during the permitting process, it should not be done at the risk of consumer safety. This bill includes commercial on-site solar distributed energy resource systems which raises serious concerns. Commercial and large utility-scale

photovoltaic plant projects are complex and do not appear to be suited to a self-certification permit process. Staff were instructed not to provide testimony as this is a permitting/county matter.

The Board discussed public safety issues regarding commercial projects.

Board position: OPPOSE (based on discussion above).

b. SB2352

Requires government entities in the State that issue building permits to establish a self-certification process for behind-the-meter, customer-sited solar distributed energy resource systems that deems permit applications approved and allows applicants to proceed to build solar distributed energy resource system immediately. Requires government entities in the State that issue building permits to develop guidance for determining specific conditions when a Federal Emergency Management Agency-mandated No-Rise Certification is not required for a solar distributed energy resource system located in a regulatory floodway. The Senate Committee(s) on Energy and Intergovernmental Affairs (EIG) and Senate Committee on Government Operations heard S.B. 2352.

The House Committee on Energy & Environmental Protection (EEP) held a hearing on February 5, 2026, and amended the measure by:

The measure was passed as amended with the following:

- (1) Clarifying that landscape architects shall not be included in the definition of "licensed design professional", to provide an attestation for the self-certification process that the proposed project is not located within a special flood hazard area;
- (2) Exempting member-owned electric cooperatives from the self-certification requirements for behind-the-meter, customer-sited solar distributed energy resource system projects;
- (3) Amending section 1 to reflect its amended purpose;
- (4) Inserting an effective date of April 19, 2042, to encourage further discussion; and
- (5) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

The Board discussed public safety issues regarding commercial projects.

Board position: OPPOSE (based on discussion above).

c. SB2327

Requires government entities in the State that issue building permits to implement SolarAPP+ or a functionally equivalent online automated permitting platform that verifies code compliance and issues permits to licensed contractors for solar distributed energy resource systems in real-time by 1/1/2027. Requires government entities in the State that issue building permits in areas served by an investor-owned electric utility to adopt a self-certification process for solar distributed energy resource systems that are not SolarAPP+ compatible.

Board position: OPPOSE (see SB2352).

9. Relating to Government Contracting

a. HB 2295

Raises the ceiling for the prevailing wages exemption on public works construction projects from \$2,000 to \$5,000 for governmental contracting agencies. Creates exemption to contractors licensing laws for public works construction projects valued up to \$5,000 for governmental contracting agencies.

The House Committee on Labor heard H.B. 2295 on February 19, 2026, and deferred the measure.

The Board members expressed concerns of increasing unlicensed activity .

Board position: OPPOSE (based on discussion above).

b. SB 3114

Raises the ceiling for the prevailing wages exemption on public works construction projects from \$2,000 to \$5,000 for governmental contracting agencies. Creates exemption to contractors licensing laws for public works construction projects valued up to \$5,000 for governmental contracting agencies.

Board position: OPPOSE (based on discussion above).

10. 2025 Carry-Over Bills Moving Forward in 2026

The Board determined to track the 2025 carry-over bills and keep its positions from 2025.

a. Relating to Contractors

- i. HB 421, HD 1: OPPOSE
- ii. HB 846: OPPOSE
- iii. SB 417, SD1: SUPPORT

b. Relating to Renewable Energy

- i. SB 232: OPPOSE
- ii. SB 701: OPPOSE
- iii. HB 352" TRACK
- iv. SB 588: OPPOSE

c. Relating to Building Permits

- i. HB 367: TRACK

d. Relating to Remedies

- i. SB 179, SD1: TRACK

e. Relating to Construction Defects

- i. SB 1650: TRACK

f. Relating to the Contractors Repair Act

- i. SB 331: TRACK

g. Relating to Subcontractors

- i. HB 274: COMMENT

Recovery
Fund:

Recovery Fund Report
Zale T. Okazaki, Esquire

Ms. Okazaki's Recovery Fund Report dated February 10, 2026, was distributed to the Board for their information.

Next Meeting:

March 20, 2026

Adjournment:

There being no further business the meeting was adjourned at 1:20 p.m.

DRAFT

UNIVERSITY_5992 HALE AO RENOVATION

From: [David Ha](#)
To: [DCCA Contractor](#)
Cc: [Kelsey Soma Turek](#); [Kerri Yoshioka](#); [Shawn Kodani](#); [Eduardo Juqueta](#), [EBJ Construction Inc.](#)
Subject: [EXTERNAL] University License Determination - 5992 Hale Ao Renovation, Windward Community College - C-35, Pile Driving, Pile and Cassion Drilling and Foundation Contractor
Date: Monday, March 2, 2026 5:47:52 PM
Attachments: [1. Drill Pro Quotation.pdf](#)
[2. Scope Breakdown - EBJ.pdf](#)
[3. Helical Piles - S101 S501 Hale Ao Addendum No 3 Drawings.pdf](#)

CAUTION: This email originated from outside of Hawaii State Gov't / DCCA. Do not click links or open attachments unless you recognize the sender and are expecting the link or attachment.

Hi Ms. Kerrie Shahan and Mr. Brosten Kossow,

The University would like to request the Hawaii Contractor Licensing Board for determination that the contractor and subcontract are properly licensed for their proposed scope of work.

Background:

The University of Hawaii is procuring the subject project for renovation of 5992 Hale Ao Renovation at Windward Community College. EBJ Construction Inc. (EBJ) was the low bidder but did not list a Helical Pile Subcontractor or C-35 to perform the work. The project was protested and the University began clarifications with EBJ. EBJ responded with a C-35 quote that was less than 1% of their bid with EBJ supplying the materials and equipment. The quote had unclear language stating:

“All equipment, engineering and labor for Helical Installation to be supplied by EBJ Construction with Drill Pro consulting.” Further clarification was asked regarding "labor for helical installation to be supplied by EBJ Construction."

The statement was unclear from the University perspective due to the helical pile scope having related above grade work and engineering services to determine the size and depth of the helical pile to meet the minimum requirements of 2,400 lbs of load. The helical pile manufacturer is to provide the calculations stamped and signed by a licensed engineer in the State of Hawaii. EBJ provided clarification on the breakdown of work between EBJ and their subcontractor, Drill Pro.

Provided for the CLB to review:

1. Initial C-35 Quote with the unclear language
2. Email Clarification of Scope Breakdown from EBJ
3. Project Plans - sheet S101 Foundation Plan and Detail 3/S501

The University's internal review believes that the work has been properly separated to prevent unlicensed activity but defer to the CLB for guidance and recommendation to ensure compliance with HRS 444.

The University kindly requests the CLB provide determination that the Contractor and Subcontractor are properly licensed based on their proposed scope separation. The determination from the CLB will assist in concluding the protest.

UNIVERSITY_5992 HALE AO RENOVATION

Please let me know if you have any questions or require the full set of specs and plans.

Thank you,
David Ha

“Drill Only” Shaft Quotation

EBJ Construction, Inc.
99-442 Fernridge Place
Aiea, Hawaii 96701

Project: Windward CC Hale 5992 Helical piles

Attn, Eduardo Jogueta

Location: Kailua, Hawaii

Ph: 909-265-3251

Bid Date: 12-09-2025

We propose to perform the work described below. The unit prices are based on dry, cohesive, non-caving, non-rocky soils that are assumed for the entire depth of each shaft. **All additional labor to be provided by EBJ Const.**

<u>Item No:</u>	<u>Description</u>	<u>Quantity</u>	<u>Unit Price</u>	<u>Extension</u>
1)	Machine drill only, Mobilize to site.	1ea	\$ 2,000.00	\$ 2,000.00
2)	Drill 8 each 12" X 5 foot deep Helical auger shafts Standby, obstruction drilling charged at \$350.00 per hour. Any additional drill footage charged at L/F rates. All equipment, engineering and labor for Helical installation to be supplied by EBJ Construction with Drill Pro consulting. All access to hole locations provided by EBJ Construction. Payment due upon completion of work or when invoiced.	40L/F	\$ 350.00	\$ 14,000.00
			Total	\$ 16,000.00
			+ Tax	\$ 80.00
			Total Quotation:	\$ 16,080.00

THE FOLLOWING WORK AND SERVICES ARE INCLUDED IN THE UNIT PRICES:

1. **Drilled shaft excavation only**, from design top of shaft cut-off elevation. Drill cuttings to be spun off at shaft, for continuous removal, by others. A minimum of 2 consecutive days shall be available, by the General Contractor, for drilling during each 8 hour drill shift.

PROPOSAL IS BASED UPON THE FOLLOWING CONDITIONS:

1. The project schedule and related sequencing shall be mutually agreed upon by the General Contractor and Drill Pro.
2. All drilled shafts will be installed in one continuous operation (per mobilization) after our equipment is moved onto the site. All sequential sites shall be made available so as not to cause delays.
3. Work day of at least eight consecutive hours between 7:00 AM - 5:00 PM.
4. Diversion of run-off, creeks, rivers, and general site surface dewatering around the work area shall be performed by others.
5. Drill Pro shall not be responsible for cost, delays, or damages, including but not limited to cost of removing unknown hazardous or toxic waste materials discovered within the project area.

This agreement is based upon, but not limited to, the following work and services which are to be provided and paid for by others:

1. General site preparation, maintenance, and restoration.
2. Unobstructed, continuously level (minimum 15 foot wide bench and minimum 30' clear overhead clearance at all pile locations) access to and from all pile sites for drill rig, service crane & support equipment, including adequate ramps, temporary roads and stabilization/protection of sub-grades, structures, and utilities, as required.
3. Continuous removal of all man-made or man-placed obstructions.
4. Location and notification in writing to Drill Pro of problematic utility location(s) prior to our mobilization, and removal of all known or unknown utilities as necessary to provide a safe work-place, whether overhead or underground, and to reimburse Drill Pro for time lost, equipment damages, and/or relocation costs resulting from failure to do so.
5. All field engineering and drilled shaft layout including: elevation stake, center stake and offsets prior to and during drilling such that layout is maintained.
6. Continuous removal of all materials, spoils (including all concrete waste), & drilling fluids generated by drilled shaft installation, so as not to delay or interfere with drilling operations. Disposal of reverted polymer fluids.
7. Miscellaneous: providing traffic and dust control, flaggers, barricades, notification to adjacent property owners and utility companies. Protection of all adjacent utilities, structures and improvements.
8. All potable water as required for construction, in volumes so as not to hinder pile installation production.
9. Providing payment and performance bonds. Bond rate for this project is 1.2%.
10. Continuous hole covering and protection upon completion of drilled shafts.
11. Night lighting.

INSURANCE: We will provide the following insurance coverage:

1. Worker's Compensation- as required by law.
2. General Liability- with limits of \$2,000,000/\$1,000,000 aggregate.
3. Auto Liability- with limits of \$1,000,000/\$1,000,000 aggregate.

We shall provide indemnification to the Contractor and Owner only to the extent we are legally determined liable as it pertains to the work that Drill Pro performs.

TERMS OF PAYMENT: Payment due upon completion of work. No Retention Shall be Withheld for this Project.

NO OTHER AGREEMENT: Except as otherwise mutually agreed in writing, this document is the complete agreement of the parties and supersedes all other agreement or understanding written or oral.

Should Drill Pro be required to employ counsel to collect any sums due hereunder, Drill Pro shall be entitled to all attorney's fees, costs and expenses incurred whether suit is filed or not.

No back charges shall be accepted by Drill Pro, unless notified in writing 48 hours in advance of work to be performed on our behalf, and signed for daily by Drill Pro. Drill Pro reserves the right to remedy any situation once brought to our attention. Such issues shall be brought to our attention in a timely manner so as to mitigate delays and added costs.

Drill Pro indemnification liability is limited to damages or claims arising from bodily injury (including death) or property damage (other than the work itself) to the extent said damages were caused by the negligent acts or omissions of Drill Pro, its agents or employees.

Drill Pro is not responsible for City, County, or State permits that may be required.

Only conditional lien releases will be given until final payment is received.

This quotation is subject to acceptance within 30 days and will be incorporated into the subcontract.

The price set forth in the quotation is based, in part, upon the parties entering into a subcontract that does not include any paid-when-paid clause; does not impede, in any way, Drill Pro's rights to make claim for differing, concealed or unknown site conditions; and does not preclude Drill Pro for making claim for money as a result of inefficiency, disruption, suspension or delay.

By relying on the price set forth in this Quotation, the recipient agrees that any dispute arising out of or in connection with the Quotation shall be resolved by arbitration to be held in Honolulu County in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association.

SPECIAL AGREEMENTS:

This quotation specifically excludes all rock drilling and/or shaft caving conditions requiring the use of temporary casing, drilling mud, or other shaft stabilization techniques, and any/all hand cleaning of drilled shafts, which, if required, shall be furnished and completed, additionally, on a "force account" (cost plus 20%) basis.

All HAZMAT related work is specifically excluded from this quotation.

All drill work shall be completed in a lineal manner. All non-linear onsite moves required shall be completed, additionally, at the standby/obstruction rates listed on page one of this quotation.

Drill Pro shall not be responsible for concrete over-break or concrete over-ordering.

If bottom of shaft compaction is required, or requested by the General Contractor, it shall be completed, solely by the General Contractor, at no cost to Drill Pro.

To: David Ha <davidha@hawaii.edu>

Cc: Kelsey Soma Turek <kst22@hawaii.edu>, Kristoffer Jugueta <krisjugueta@ebjconstruction.com>, Kerri Yoshioka <kerriyos@hawaii.edu>, Shawn Kodani <kodani@hawaii.edu>, "Bruce St. Germain" <stgermain107@yahoo.com>

Hi David,

Thank you for your email. Below is clarification regarding the Drill Pro proposal and EBJ's scope of work.

Scope of EBJ Work

- Procure the helical piles from PileWorks (see attached proposal).
- Provide layout of the helical pile locations and verify site conditions, including underground utilities, overhead lines, and access constraints.
- Provide access for Drill Pro's equipment (mini-excavator or skid steer with hydraulic torque head).
- Because the helical piles are located beneath the existing structure, limited siding removal may be required to facilitate installation and will be restored afterward.
- If the Engineer approves installation at a slight batter (diagonal), EBJ will remove localized obstructions (e.g., CRM wall) and restore them after installation. This approach may avoid the removal of siding or structural framing.
- Engage a third-party testing agency to verify the piles meet the required **2,400 lb. allowable uplift capacity**.
- PileWorks will provide a stamped engineering design package. EBJ will prepare and submit required submittals, shop drawings, and testing documentation.
- Install the threaded rod connection between the 4x beam and the helical pile as shown on Drawing **3/S501**.

Scope of Drill Pro Work

- Perform a preliminary site visit to verify layout, access, and safety conditions.
- Mobilize installation equipment and confirm proper adapter compatibility with the helical piles and hydraulic torque head.
- Install the helical piles to the required depth and/or torque criteria, beginning with the 5-ft lead section and adding 7-ft extensions as required.
- Provide equipment operator and spotter during installation.

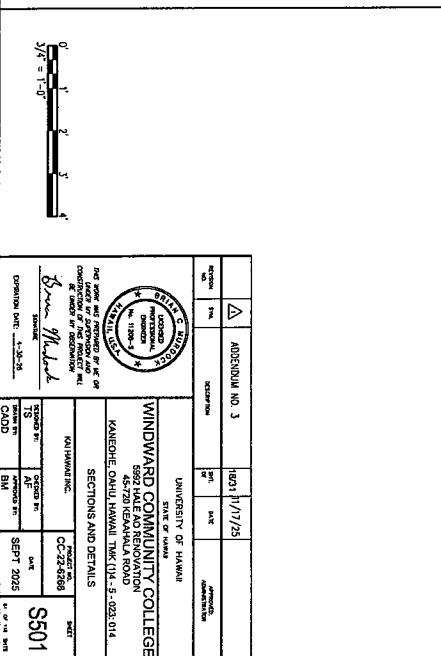

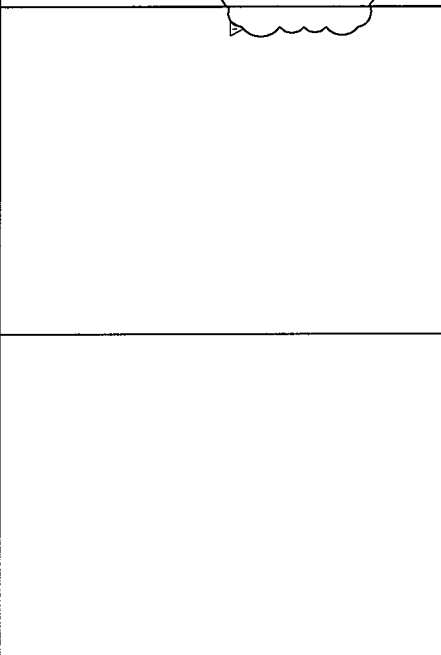

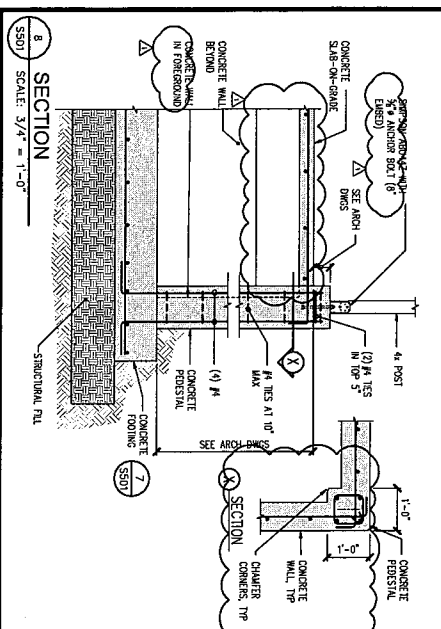

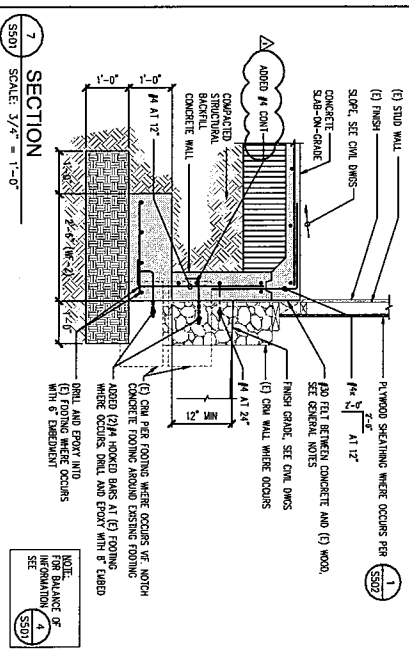

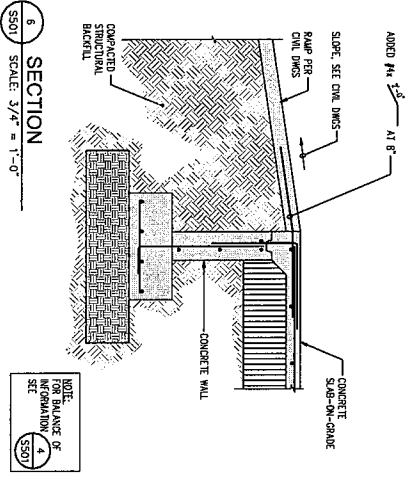

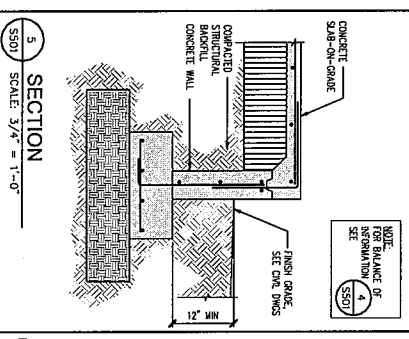

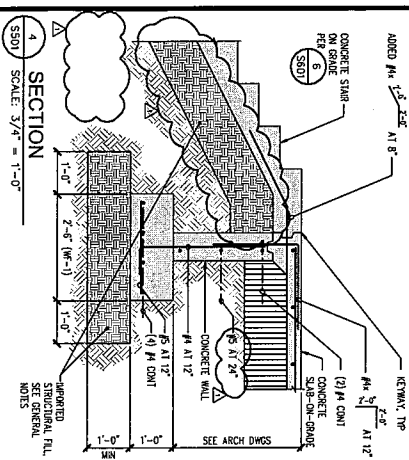

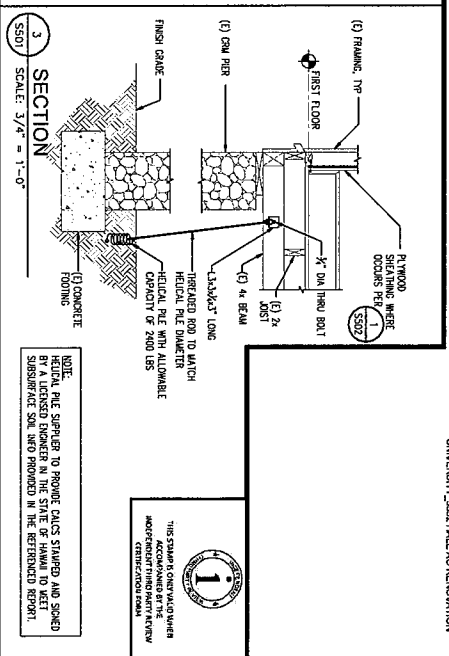

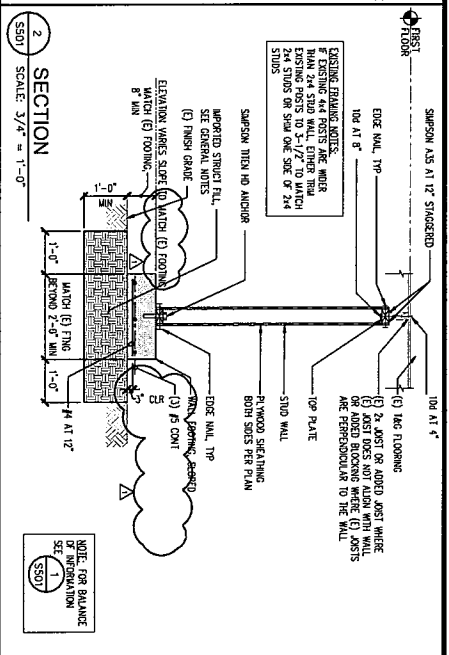

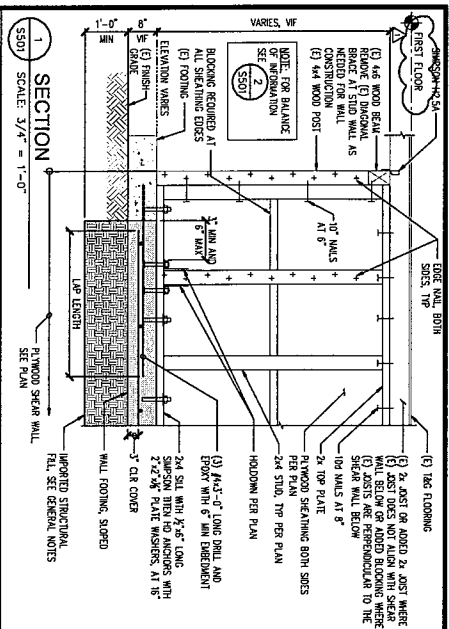

We trust this clarifies the division of responsibilities. EBJ will not perform any work outside the scope of our contractor's license. Our role is to support Drill Pro by preparing the site for installation and coordinating the required engineering submittals and testing documentation.

Please let us know if you need any additional clarification.

Thank you,
Eduardo Jugueta

Good afternoon,

I hope you're doing well. I wanted to follow up regarding the question about contractor licensing. Our company operates strictly as a service provider. We provide vacuum truck pumping services to move water from point A to point B. We do not remove, install, or modify any pipes or systems.

Under HRS 444, a contractor license is required only for construction activities such as installation, alteration, or repair work. Since our scope is limited to pumping and transport services, a contractor license does not apply to our operation.

If you need any additional clarification, I'm happy to provide it.

Respectfully,

Joseph Alex

Hawaii Contractors License Board
Department of Commerce and Consumer Affairs

Subject: Statement of Scope of Services and Licensing Applicability – Kula Trucking Services LLC

Dear Members of the Contractors License Board,

Kula Trucking Services LLC respectfully submits this letter to describe the nature and scope of services performed by our company and to assist the Board in determining the applicability of contractor licensure requirements under **HRS Chapter 444**.

I. Primary Scope of Services

Kula Trucking Services LLC is primarily engaged in dump truck hauling services, including the transportation of aggregate, soil, debris, and related materials to and from construction and infrastructure projects. Our business operations are limited to trucking and hauling activities. We do not perform construction, excavation, grading, trenching, earthmoving, site development, or subsurface construction work.

II. Incidental Use of Vacuum Truck Equipment

In addition to dump truck operations, Kula Trucking Services LLC owns a vacuum truck that is maintained as a secondary and incidental resource. Ownership or availability of this equipment does not expand our scope of services beyond hauling and non-construction support activities.

When utilized, the vacuum truck has been used exclusively for cleaning-related services, including:

- Removal of accumulated mud and water from tanks or other contained areas
- Pressure washing of mud or slurry material and vacuuming the resulting waste for removal

These services do not involve excavation, soil removal for construction, or alteration of ground conditions, and they do not result in the construction, improvement, or modification of any structure or project.

III. Subsurface Exposure / Exploratory Activities

Kula Trucking Services LLC does not perform excavation. If subsurface exposure were ever requested, it would be strictly preparatory and exploratory in nature and not part of construction activity.

Any such limited exposure would:

- Occur only after the surface has been broken by others
- Be confined to small test openings (approximately 3 feet by 3 feet)
- Be performed solely to visually confirm the location of existing utilities or subsurface conditions
- Not be performed for installation, construction, alteration, or improvement purposes

IV. Applicability of HRS § 444-1

HRS § 444-1 defines a "contractor" as a person or entity that undertakes to *construct, alter, repair, add to, subtract from, improve, move, wreck, or demolish* a building, highway, road, excavation, or other structure or project, or any part thereof.

Kula Trucking Services LLC does not perform activities that fall within this definition. Our services are limited to hauling and incidental cleaning functions that do not involve construction or the alteration or improvement of permanent work.

Preparatory or support activities—such as cleaning, pumping, or limited exploratory observation—do not, standing alone, constitute construction or excavation under HRS § 444-1 when they are not performed in furtherance of physical construction or earthmoving activity.

Kula Trucking Services LLC does not hold itself out as a licensed contractor and does not perform work within the scope of a C-17 Excavating contractor classification or any other contractor classification requiring licensure under HRS Chapter 444.

V. Licensing Accuracy and Appropriate Classification

Kula Trucking Services LLC is committed to compliance with Hawaii law and has no objection to obtaining licensure where required. At the same time, it is important that any license held accurately reflects the scope of services performed.

Obtaining a C-17 Excavating license would represent that Kula Trucking Services LLC performs excavation, trenching, grading, and earthmoving activities. We do not perform those services. Accepting a license classification that encompasses activities outside our actual operations would inaccurately describe our business and imply work that we neither offer nor perform.

Licensure under HRS Chapter 444 is intended to align a contractor's qualifications with the services performed. Kula Trucking Services LLC therefore seeks the Board's guidance to ensure that any licensing determination is based on actual scope of work, rather than the type of equipment owned or incidental support services performed.

VI. Request for Board Guidance

This letter is submitted in good faith to provide an accurate description of Kula Trucking Services LLC's operations and to assist the Contractors License Board in evaluating licensing applicability. Based on the scope of services described above, Kula Trucking Services LLC respectfully requests confirmation from the Board as to whether a contractor license is required, or if our activities fall outside the licensing requirements of HRS Chapter 444.

Thank you for your time and consideration.

Respectfully submitted,

[Alex Joseph]

[Project Manager]

Kula Trucking Services LLC

Applicability of Excavation Definition to Kula Trucking Services

Hawaii Revised Statutes §269E-2 broadly defines "excavation" as operations involving the movement or displacement of earth or other materials using tools or equipment, including activities such as grading and trenching.

However, within Hawaii's contractor licensing framework, the C-17 Excavating, Grading, and Trenching classification is directed toward **earthmoving and site development activities**, including the relocation of soil for grading, trenching, and construction purposes.

Kula Trucking Services does not perform earthmoving, grading, trenching, or any form of site preparation. Our services are limited to the use of specialized vacuum equipment to safely expose subsurface utilities for identification and verification purposes. This process does not involve the relocation or redistribution of soil, alteration of grade, or any construction-related earthwork.

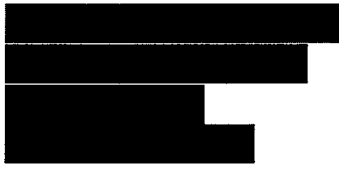

Additionally, Hawaii law recognizes the need for precise exposure of underground utilities as part of safe field practices. HRS §269E-12 requires that subsurface installations be carefully exposed prior to

the use of powered equipment, underscoring that such activities are undertaken as **protective and investigative measures**, not as earthmoving construction work.

Subject: Confirmation of Scope of Work – Kula Trucking Services LLC (Rail Project)

Becho Inc (A Tutor Perini Company) is providing this letter to confirm the scope of work performed by Kula Trucking Services LLC in connection with our rail project.

Kula Trucking Services LLC has been engaged solely for material handling and cleaning support services. Their work includes:

- Vacuum removal of cement slurry and drilling mud from baker tanks and similar containment systems
- Pressure washing of tanks and equipment to remove residual material
- Collection and transportation of waste materials to designated disposal locations as directed

Kula Trucking Services LLC's work is limited to cleaning, material removal, and transportation activities. They do not perform excavation, grading, trenching, or any construction activities, nor do they modify or alter any structure or site conditions as part of this work.

All services performed by Kula Trucking Services LLC are support services only and are not part of construction or earthmoving operations.

If you have any questions, please feel free to contact me.

Sincerely,

Name: Felix Fuentes

SAH - Subcontractors Association of Hawaii

1188 Bishop St., Ste. 1003**Honolulu, Hawaii 96813-2938

Phone: (808) 537-5619 ✦ Fax: (808) 533-2739

March 17, 2026

Gary Nishek, Chairperson
Contractors License Board
Department of Commerce and Consumer Affairs
335 Merchant St.
Honolulu, HI 96813

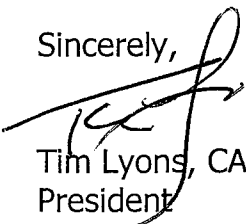

Dear Chairperson Nishek:

The Subcontractors Association of Hawaii would like to take this opportunity to congratulate the members of the Contractors License Board for their consumer information advertising stressing the importance of using a licensed contractor. It is typical that a great deal of unlicensed activity occurs within the various sub-trades of the construction industry and, as a result, we are most appreciative of your efforts in order to educate homeowners.

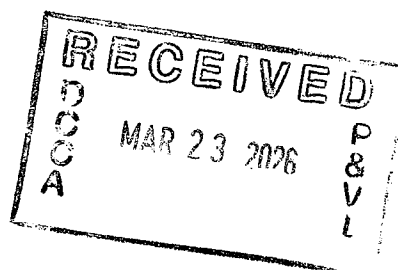

It has long been our feeling that despite the rules, laws and regulations, the best method of reducing unlicensed activity is to educate consumers as to the advantages and disadvantages of licensed or unlicensed contractors.

In that regard, we fully endorse your program and again, want to congratulate members of the Board for embarking on this effort.

Sincerely,

Tim Lyons, CAE
President

February 25, 2026

Hawaii Contractor License Board
DCCA-PVL
Att: CLB,
Kerrie Shahan, Executive Officer
P.O. Box 3469
Honolulu, HI 96801

Re: Request for Cancellation of Guaranty dated February 7, 2011
Contractor – Entity License Number CT-32414

Dear Kerrie,

I write on behalf of Siemens Medical Solutions USA, Inc. (“Siemens Healthineers”) to formally request cancellation of the Guaranty dated February 7, 2011 issued by Siemens Corporation, as Guarantor, in connection Contractor – Entity License Number CT-32414. Per the Hawaii Contractor License Board website, the status of the License is Terminated, with an expiration date for the License of 9/30/2024. A copy of the Guaranty is attached for your reference. Per our records, there are no running projects in Hawaii that require the License, and the last project was completed in 2020.

Siemens Healthineers respectfully requests written acknowledgment from the Hawaii Contractor License Board confirming that:

- i) The Guaranty will be void and of no effect for any claims made to the Hawaii Contractor License Board relating to construction work performed after the termination date of the License (i.e., 9/30/24 or later); and
- ii) There are no outstanding complaints or claims filed against the License under review by the Hawaii Contractors License Board.

Please direct all correspondence regarding this request to my attention at 484.467.8313 and feel free to contact me directly should you need any additional information.

Thank you for your assistance and cooperation.

Sincerely,

Chris Mallin
Project Management Office Head

MAR 9 2026

A BILL FOR AN ACT

RELATING TO HOUSING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that, to address the
2 State's ongoing housing shortage, Act 295, Session Laws of
3 Hawaii 2025 (Act 295), established an expedited permitting
4 process for single-family and multi-family residential projects.
5 However, since its implementation, stakeholders have raised
6 concerns that ambiguities in Act 295 regarding additional
7 insurance requirements, indemnification obligations, and
8 certification language may inadvertently create uninsurable
9 conditions, discouraging architects and engineers from
10 participating in the expedited permitting process.

11 The legislature believes that clarifying these provisions
12 will ensure that design professionals are not required to assume
13 liabilities beyond what their professional liability insurance
14 can cover, thereby improving participation and supporting the
15 State's broader goal of accelerating housing production.

16 Accordingly, the purpose of this Act is to:

- 1 (3) The following information from all licensed
- 2 professionals on record:
- 3 (A) Policies of insurance that:
- 4 (i) Name the State and county as additional
- 5 ~~[insurers,]~~ insureds under a commercial
- 6 general liability policy;
- 7 (ii) Are in amounts equivalent to at least
- 8 ~~[\$2,000,000,]~~ \$1,000,000; and
- 9 (iii) Specifically ~~[allow coverage for the~~
- 10 ~~completed project for the period]~~ require
- 11 that the licensed professional maintain
- 12 professional liability insurance that
- 13 provides coverage for claims arising out of
- 14 the completed project, so long as the claim
- 15 is first made and reported in accordance
- 16 with the terms of the policy during the
- 17 period allowed under section 657-8; and
- 18 (B) A statement that indemnifies and holds harmless
- 19 the State, its officers, agents, and employees,
- 20 and the county, its officers, agents, and
- 21 employees~~[,]~~, from and against claims, damages,

1 the defects are not consistent with the approved plans, the
2 licensed professional shall note the disagreement and assume
3 review responsibility as the approving authority or initiate a
4 change to the plans to address the defect. Consistent with the
5 requirements and time periods established by each county, all
6 licensed contractors and the licensed professional or the
7 licensed contractors' or licensed professional's successor
8 agents shall maintain a record of inspected structural, civil,
9 plumbing, and electrical systems after a certificate of
10 occupancy is issued and provide a copy of that record to the
11 applicant and the county.

12 (f) Upon completion of construction, the [~~licensed~~
13 ~~professional shall certify in writing to the county that a~~
14 ~~certificate of occupancy is warranted and all laws, rules,~~
15 ~~ordinances, and conditions governing permitted construction have~~
16 ~~been met, along with any necessary as-built drawings consistent~~
17 ~~with the requirements of each county. The] county shall issue
18 [~~the~~] a certificate of occupancy to the applicant and may notate
19 that the certificate is approved by the licensed professional
20 under an agreement pursuant to an expedited permit, and not a
21 county official."~~

Report Title:

Expedited Permits; Insurance; Additional Insureds;
Indemnification; Certificates of Occupancy

Description:

Clarifies insurance, indemnification, and certain certificate of occupancy requirements for purposes of expedited permits. Requires state or county inspectors to inspect all projects with expedited permits. Repeals 6/30/2031. (CD1)

RE: H.B. No. 1721
H.D. 2
S.D. 2
C.D. 1

Honorable Nadine K. Nakamura
Speaker, House of Representatives
Thirty-Third State Legislature
Regular Session of 2026
State of Hawaii

Honorable Ronald D. Kouchi
President of the Senate
Thirty-Third State Legislature
Regular Session of 2026
State of Hawaii

Madam and Sir:

Your Committee on Conference on the disagreeing vote of the House of Representatives to the amendments proposed by the Senate in H.B. No. 1721, H.D. 2, S.D. 2, entitled:

"A BILL FOR AN ACT RELATING TO HOUSING,"

having met, and after full and free discussion, has agreed to recommend and does recommend to the respective Houses the final passage of this bill in an amended form.

The purpose of this measure is to:

- (1) Clarify insurance, indemnification, and certain certificate of occupancy requirements for purposes of expedited permits; and
- (2) Require state or county inspectors to inspect all projects with expedited permits.

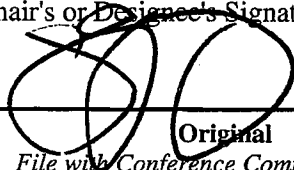

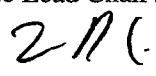

Your Committee on Conference has amended this measure by changing the effective date to July 1, 2026.
