

HAWAII MEDICAL BOARD
Professional and Vocational Licensing Division
Department of Commerce and Consumer Affairs
State of Hawaii

MINUTES OF MEETING

Date: July 14, 2022

Time: 1:00 p.m.

Place: Virtual Videoconference Meeting – Zoom Webinar
<https://dcca-hawaii-gov.zoom.us/j/98116531271>

Present: Jone Geimer-Flanders, D.O., Chairperson, Osteopathic Member
Gary Belcher, Public Member
Franklin V.H. Dao, M.D., Honolulu Member
Darren Egami, M.D., Maui Member
Andrew “Rick” Fong, M.D., Hawaii Member
Peter Halford, M.D., Honolulu Member
Michael Jaffe, D.O., Honolulu Osteopathic Member
Wesley Mun, Public Member
Rebecca Sawai, M.D., Honolulu Member
Danny M. Takanishi, M.D., Honolulu
Shari J. Wong, Deputy Attorney General (“DAG”)
Ahlani K. Quiogue, Executive Officer
Kellie Teraoka, Secretary
Chiara Latini, Secretary
Leanne Abe, Secretary (Technical Support)
Lei Ana Green, Executive Officer (Technical Support)

Excused: Geri Young, M.D., Kauai Member

Zoom Webinar
Guest(s): Mark Fukuda, M.D.
Mary Ann Lentz
Jordan
John Hassler
Esther Brown
Kris Bjornson
Melise Keays (Mark Staz)¹
Theodore Sakai
Candace Ito

Agenda: The agenda for this meeting was posted to the State electronic calendar as required by Hawaii Revised Statutes (“HRS”) section 92-7(b).

¹ It was noted that Mr. Mark Staz was signed in to Zoom under the account of Melise Keays.

A short video was played to explain the meeting procedures and how members of the public could participate in the virtual meeting.

Call to Order:

The meeting was called to order at 1:08 p.m., at which time quorum was established.

Chair Geimer-Flanders welcomed everyone to the meeting and proceeded with a roll call of the Board members. All Board members confirmed that they were present and alone, with the exception of Dr. Halford who had another household member present at his meeting location. Geri Young, M.D., Kauai Member, was excused from the meeting.

Election of Officers:

Chair Geimer-Flanders nominated Dr. Takanishi as the Board's Chairperson and Mr. Belcher as the Board's Vice-Chairperson.

It was moved by Chair Geimer-Flanders, seconded by Dr. Dao, and unanimously carried to elect Dr. Takanishi as the Board's Chairperson and Mr. Belcher as the Board's Vice-Chairperson.

By consensus, members agreed to allow Dr. Geimer-Flanders to chair the meeting.

Approval of the June 9, 2022, Minutes:

It was moved by Dr. Takanishi, seconded by Dr. Jaffe, and unanimously carried to approve the meeting minutes of the executive session and the meeting minutes of the open session of the June 9, 2022, meeting, as circulated.

Adjudicatory Matters:

Chair Geimer-Flanders called for a recess from the meeting at 1:12 p.m., to discuss and deliberate on the following adjudicatory matter pursuant to Chapter 91, HRS (Note: Board members and staff entered the Microsoft Teams meeting).

A. In the Matter of the License to Practice Medicine of Sung S. Yang, M.D.; MED 2020-67-L; Petition for Disciplinary Action Against License to Practice Medicine; Demand for Disclosure.

At its June 9, 2022 meeting, the Board voted to accept the Settlement Agreement After Filing of Petition for Disciplinary Action and Board's Final Order ("Final Order").

As required by the Final Order, Mr. Yang agreed to, among other things, the following:

1. The voluntary surrender of his Hawaii Medical License;
2. Certain terms to reapply for a new license, including, but not limited to not apply for a new license until he has successfully completed the terms of the sentence imposed by the Judgment in USA v. Yang; and

3. The completion of education course(s) at his own expense. It was noted that, at the June 9, 2022 meeting, the Board determined that Mr. Yang shall successfully complete the PBI Education Course titled "Medical Ethics and Professionalism", the extended course (ME-15 Extended). Mr. Yang was to register and complete the first offered course being held on July 16, 2022, and within ten (10) business days of successful completion of the course, he was to provide the Board's office with proof of successful completion.

Following notification to Mr. Yang of the Board's June 9, 2022 decision, Mr. Yang requested that the Board consider alternatives to the ME-15 Extended course due to it being cost prohibitive. In lieu of the Board-approved course, Mr. Yang requested that the Board consider four (4) assessment reports that Jeri Leong, Senior Coding Consultant and Audit Analyst, Healthcare Coding Consultants of Hawaii, composed after she implemented comprehensive training, revisions, and monitoring of Mr. Yang's medical coding.

Discussion followed. After due consideration of the information received, it was moved by Chair Geimer-Flanders, seconded by Dr. Halford, and unanimously carried to affirm its June 9, 2022 decision, which requires that Mr. Yang successfully complete the PBI Educational Course titled "Medical Ethics and Professionalism" the extended course (ME-15). However, Mr. Yang will have until November 5, 2022, the last course offered during the calendar year, to complete the Medical Ethics and Professionalism course (ME-15). Mr. Yang shall submit to the Board proof of registration and proof of successful completion of the course.

- B. In the Matter of the Physician's License of Michael S. Dempsey, M.D.; MED 2022-17-L; Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order.

After due consideration of the information received, it was moved by Chair Geimer-Flanders, seconded by Dr. Takanishi, and unanimously carried, to approve the aforementioned Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order.

- C. In the Matter of the Physician's License of Pradeepta Chowdhury, M.D.; MED 2022-32-L; Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order.

After due consideration of the information received, it was moved by Dr. Jaffe, seconded by Dr. Halford, and unanimously carried, to

approve the aforementioned Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order.

- D. In the Matter of the Physician's License of Sean Y. Takeuchi, M.D.; MED 2022-52-L; Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order; Exhibit "1".

After due consideration of the information received, it was moved by Chair Geimer-Flanders, seconded by Dr. Takanishi, and unanimously carried, to approve the aforementioned Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order; Exhibit "1".

- E. In the Matter of the License to Practice Medicine of Terrence J.J. Kwiatkowski, M.D.; MED 2022-23-L; Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order; Exhibit 1.

After due consideration of the information received, it was moved by Chair Geimer-Flanders, seconded by Dr. Halford, and unanimously carried, to approve the aforementioned Settlement Agreement Prior to Filing of Petition for Disciplinary Action and Board's Final Order; Exhibit 1.

Following the Board's review, deliberation, and decision on these matters pursuant to Chapter 91, HRS, Chair Geimer-Flanders announced that the Board reconvenes to its Chapter 92, HRS, meeting at 1:32 p.m. Board members and staff returned to the Zoom meeting.

Chair Geimer-Flanders asked if anyone from the public would like to provide oral testimony on agenda item 4., Chapter 91, Adjudicatory Matters.

It was reported that one individual raised their hand. Chair Geimer-Flanders reminded the individual that the open session portion of the meeting is public record under the Sunshine law, and that they could provide testimony in the executive session portion of the meeting. She went on to say that the executive session is not subject to public record.

Ms. Quiogue added that executive session is used to discuss confidential application materials or seek legal counsel, and reminded that members of the public are not permitted to enter executive session to provide testimony unless their application is being presented.

Jordan was promoted to a panelist at 1:37 p.m.

Jordan was removed from the Zoom meeting at 1:37 p.m., after playing,

what appeared to be, an obscene video.

Applications for
License/
Certification:

A. Applications:

It was moved by Dr. Takanishi, seconded by Dr. Jaffe, and unanimously carried to enter into executive session at 1:38 p.m., pursuant to HRS §92-5(a)(1), to consider and evaluate personal information relating to individuals applying for professional licenses cited in HRS §26-9 and, pursuant to HRS §92-5(a)(4), to consult with the Board's attorney on questions and issues pertaining to the Board's powers, duties, privileges, immunities and liabilities. (Note: Board members and staff entered into Microsoft Teams):

(i) Physician (Permanent/Endorsement):

a. Craig M. Feeney, M.D.

b. Mark M. Fukuda, M.D.

Mark M. Fukuda, M.D. entered the Microsoft Teams meeting at 1:55 p.m.

Mark M. Fukuda, M.D. exited the Microsoft Teams meeting at 2:00 p.m.

B. Request to Have Conditions Removed from Conditional License:

(i) Physician:

a. John Ellis, M.D.

Chair Geimer-Flanders advised members and staff that she would be recusing herself from the discussion and decision-making on Dr. Ellis's request.

Chair Geimer-Flanders left the Microsoft Teams meeting at 2:02 p.m.

It was moved by Dr. Halford, seconded by Dr. Jaffe, and unanimously carried to return to the open session meeting at 2:07 p.m. Board members and staff returned to the Zoom meeting. It was noted that Chair Geimer-Flanders was present in the Zoom meeting.

(i) Physician (Permanent/Endorsement):

a. Craig M. Feeney, M.D.

After due consideration of the information received, it was moved by Dr. Takanishi, seconded by Dr. Egami, and unanimously carried to approve Dr. Feeney's application.

b. Mark M. Fukuda, M.D.

After due consideration of the information received, it was moved by Dr. Egami, seconded by Chair Geimer-Flanders, and unanimously carried to approve Dr. Fukuda's application.

B. Request to have Conditions Removed from Conditional License:

(i) Physician:

a. John Ellis, M.D.

After due consideration of the information received, it was moved by Dr. Jaffe, seconded by Mr. Belcher, and carried by a majority, with the exception of Chair Geimer-Flanders who recused herself from discussion and vote on this matter, to approve Dr. Ellis's request to have the conditions removed from his conditional license.

C. Ratifications List (See attached list)

(i) List

It was moved by Chair Geimer-Flanders, seconded by Dr. Egami, and unanimously carried to ratify the attached list of individuals for licensure or certification.

Chair Geimer-Flanders asked if any members of the public wished to provide oral testimony at this time. There were none.

a. Policy on Physician Illness and Impairment: Towards a Model that Optimizes Patient Safety and Physician Health (Policy).

The Board considered the FSMB's Policy and other materials to determine whether it will amend its questions on its initial and renewal applications regarding addiction, dependency, or habituation to alcohol and other substances.

For members and guest's information, Chair Geimer-Flanders referred to the Board's initial application question, which asks:

In the past 5 years, have you been addicted to, dependent on, or a habitual user of alcohol or of a narcotic, barbiturate, amphetamine, hallucinogen, or other drug having similar effect?

The Board's renewal application asks a similar question. These types of questions require physicians to disclose personal health information on their applications to practice medicine in this State.

Chair Geimer-Flanders introduced the matter by reminding members and guests of Lorna Breen, M.D., an emergency room physician in New York, who was unwilling to seek mental health treatment for fear that she would have to disclose it to the New York Board of Medicine; potentially jeopardizing her ability to practice medicine. Dr. Breen died by suicide.

Chair Geimer-Flanders informed the Board that the Lorna Breen Health Care Provider Protection Act was signed into law, which provides federal funding for mental health education and awareness aimed at protecting the well-being of health care workers.

The FSMB initially encouraged boards to adopt an attestation that covered physical and mental health questions.

Chair Geimer-Flanders reminded the Board that it had previously considered amending its questions regarding habituation and addiction, but at that time, it could not circumvent the fact that a "YES" answer would be required by the applicant. Based on the FSMB's Policy and support by several other organizations, there is now a movement to support physicians by destigmatizing the questions posed on board applications.

Dr. Jaffe stressed the importance of this discussion underlining that substance abuse is one of the primary reasons that physicians lose their license. He emphasized the importance of updating the Board's applications, both initial and renewal applications. It is also important to offer clinicians treatment programs, but also balancing that with appropriate action by the Board if they are unfit to treat patients.

The guest speakers were introduced as follows:

- Esther Brown, Complaints and Enforcement Officer, Regulated Industries Complaints Office ("RICO")
- John Hassler, Supervising Attorney, RICO
- Mark Staz, Consultant Medical Regulation and International Collaboration, FSMB
- Theodore Sakai, Executive Director, Pu`ulu Lapa`au, Hawaii Program for Healthcare Professionals
- Kristopher Bjornson, M.D., Medical Director, Pu`ulu Lapa`au

Esther Brown and John Hassler were promoted to panelists at

2:21 p.m.

Mark Staz was promoted to a panelist at 2:22 p.m.

Theodore Sakai and Kris Bjornson were promoted to panelists at 2:25 p.m.

Ms. Brown introduced herself and Mr. Hassler. Ms. Brown stated that providing clarity to the Board's questions is important to avoid confusion.

Mr. Hassler stated that questions on the initial application and renewal application are broad as new laws have posed gradual restrictions on what licensing boards can discipline regarding conduct and substance abuse. The Americans with Disabilities Act ("ADA") have narrowed the scope of what is disciplinable conduct. Mr. Hassler stressed that the issues are complicated and important, and thanked the Board for this very important discussion.

Chair Geimer-Flanders emphasized the importance of the Board's mandate, which is to protect the health and safety of Hawaii patients. She also acknowledged the importance of protecting physicians' wellbeing.

Dr. Bjornson illustrated how burnout is a topic the FSMB, as well as many organizations, have addressed. He suggested that the Board's questions only refer to current impairments and eliminate past problems.

Ms. Quiogue reminded Board members that their packets included the following documents:

1. Federation of State Medical Boards, Policy on Physician Illness and Impairment: Towards a Model that Optimizes Patient Safety and Physician Health;
2. Board Examples of Questions;
3. Pu`ulu Lapa`au Brochure;
4. Claire Zilber, M.D., Safe Haven Article;
5. A Toolkit for State Medical Boards;
6. American College of Emergency Physicians Joint Statement; and
7. APA Position Statement.

Dr. Bjornson brought to the Board's attention the concept of 'Safe-Haven', and the importance of it to physician wellness. The intent of which is to allow a physician, who is currently engaged in a monitoring treatment, to answer "NO" to the question of whether they were suffering from any condition or impairment. He posed the example of Colorado who introduced the concept in 1990.

Within five (5) years of implementation, their volunteer referrals increased by 195%. He believes the concept of a 'safe-haven' is as important as rephrasing a substance use question. Dr. Bjornson referred to the information included in the Board's packet, which provides that the idea of an attestation versus a "YES" or "NO" response is addressed.

Chair Geimer-Flanders stressed that she was keen on the concept of a safe-haven. She also referred to the North Carolina Medical Board's application, which provides that if an applicant is engaged in a physician healthcare program, they may answer "NO" to the substance use question.

Chair Geimer-Flanders introduced Mr. Mark Staz from the FSMB.

Mr. Staz stated that the FSMB has been looking into physician burnout since 2015. Dr. Takanishi chaired the workgroup for the FSMB that developed the policy recommendations in 2018.

Mr. Staz delineated the primary goals of the policies, which aim to allow treatment to those that need it by removing barriers in seeking treatment. He emphasized that physicians' well-being is as important as patient well-being. An attestation shows the importance of seeking help. Informationally, seventeen (17) states have adopted the 'safe-haven' concept.

Mr. Staz mentioned that West Virginia implemented a safe haven program that garnered an increase in its referral programs. Some states have eliminated questions regarding substance use, but have added attestations to its applications. This change conveys the importance of well-being.

Dr. Jaffe reiterated the importance of safeguarding the wellbeing of healthcare professionals and patients by asking appropriate questions.

Chair Geimer-Flanders asked Dr. Takanishi for his input on the matter having chaired the workgroup for the FSMB.

Dr. Takanishi illustrated the findings of a two-year project. What emerged is that there is known stigma towards substance use, but a willingness to come forward if there is a 'safe haven' program. He brought forth the example of North Carolina, which allows applicants to answer "NO" to the question of substance use if they are participating and complying with a health care program's recommendation.

Dr. Takanishi added that there would be no stigma if there were no questions regarding substance use, and physicians would be more likely to seek help.

Dr. Halford stated that the ensuing problem was the phrasing of the new questions and recommended creating a working group to develop said questions.

Chair Geimer-Flanders proposed a meeting with representatives from the Board, RICO, and Pu`ulu Lapa`au to propose appropriate verbiage.

Dr. Takanishi recommended attestations and proceeded to state that fourteen (14) states have included health statements and seventeen (17) states have adopted the 'safe-haven' concept. He reiterated the importance of not precluding the opportunity to seek help, and thanked the Board for embarking on this task.

Dr. Jaffe stated that the Board's duty is to protect the community and it would be arduous to screen applicants without asking questions.

Dr. Takanishi stated that doctors can operate safely under supervised medication. It is important to allow doctors the appropriate health care they need so that they can perform safely.

Dr. Jaffe agreed with Dr. Takanishi's statements, and recommended that the Board's questions on its initial and renewal applications be revised to encourage healthcare professionals to seek help by offering services whilst allowing the Board to perform its duty of safeguarding consumers.

Chair Geimer-Flanders asked Mr. Hassler for his input regarding the Board's discussion.

Mr. Hassler shared that, historically, most cases that have involved impairment were reported by a third party, and not triggered by an affirmative response to a particular question. He went on to say that even the ADA recognizes that there are cases where substance use that are appropriately monitored so to ensure the safety of patient, and other instances where substance use is not appropriately monitored and can affect the care offered to patients.

Chair Geimer-Flanders thanked members and guests for their input regarding this very important matter.

A motion was requested to be made to establish a working group consisting of two (2) physician members of the Board, a public member of the Board, and a representative of Pu`ulu Lapa`au. The working group would separately seek input from RICO and the FSMB. The working group shall, at a minimum, research and recommend for the Board's consideration, new language for the questions posed on its initial and renewal applications regarding

addiction, dependency, and habituation. It was noted that the Board's questions do not currently ask about mental illness.

Discussion followed. It was moved by Dr. Takanishi, seconded by Chair Geimer-Flanders, and unanimously carried to have Dr. Takanishi, Dr. Jaffe, Mr. Belcher, and Dr. Bjornson, with input provided by RICO and the FSMB, to research and recommend for the Board's consideration, new language for the questions posed on its initial and renewal applications regarding addiction, dependency, and habituation. Chair Geimer-Flanders offered to assist with this group due to Ms. Quiogue's schedule.

Esther Brown, John Hassler, Theodore Sakai, Kris Bjornson, and Mark Staz returned to attendees at 2:21 p.m.

Chairperson Report:

Chair Geimer-Flanders announced that the August meeting would be her and Dr. Halford's last meetings.

She requested that the August agenda include consideration of the Board holding meetings every other month after the completion of the legislative session. She emphasized that with the established applications review committee, applications that do not include adverse, derogatory, or questionable information are processed.

Ms. Quiogue acknowledged this request and confirmed that it would be placed on the August agenda.

Next Meeting: Thursday, August 11, 2022
1:00 p.m.

In-Person Location: Queen Liliuokalani Conference Room
King Kalakaua Building, 1st Floor
335 Merchant Street
Honolulu, HI 96813

Virtual Videoconference Meeting – Zoom Webinar

Adjournment: The meeting adjourned at 3:00 p.m.
