Business:
- a. Rule Revisions
    - (i) HAR section 16-94-17

EO Tamanaha informed the Board that this section was pulled out and it was to proceed with the public hearing. There was a delay because there was a section that was changed to a table form vs. being written out. It was a concern that it was changed without a justification. However, it was verified that because no text was changed, it was okay in table form. This will be sent to the governor's office for approval of a public hearing.

Public Comment: Public comment on issues not on the agenda may be considered by the Board at subsequent meeting. The Board is precluded from discussing or acting on items raised by public comment that are not already on the agenda.
