

# NOTICE TO CONSUMERS

Contact the RICO Consumer Resource Center,  
State of Hawaii, at 1-844-808-3222, option 3:

- ✓ To verify if a dentist is licensed
- ✓ To find out if RICO has investigated complaints about a licensed dentist
- ✓ To submit a complaint to RICO about a licensed dentist
- ✓ To verify if a dentist is credentialed to administer anesthesia or sedation

This NOTICE is issued pursuant to Hawaii Revised Statutes Section 448-28 (2017), which requires licensed dentists who administer general anesthesia, deep sedation or moderate (conscious) sedation, to post the information above in a conspicuous place at the dentist's place of business. RICO is not an expert in the licensure and credentialing process, however, so if RICO's Consumer Resource Center is unable to assist you, please contact the Board of Dentistry at <https://cca.hawaii.gov/pvl/boards/dentist/>, or through email at [dental@dcca.hawaii.gov](mailto:dental@dcca.hawaii.gov). The Board of Dentistry is empowered to issue and revoke licenses to practice dentistry in the State.
