CORE COURSES 2025-2026

The Commission's mandatory course, Core B, "Get Real: Manage/MisManage!" is currently being offered.

Included in Core B are the 2026 real estate-related legislative updates. Instructors are reminded to check on the status of the legislative bills that are included in Core B and to educate your course attendees. Current bill status may be found by following (clicking on) the links that are included in the Core B Student Resource Manual or by visiting the Hawai'i State Legislature website at capitol.hawaii.gov.

Reminder – Core A and Core B courses must be completed to receive core continuing education credit. If only one core course is completed, the licensee will not receive any core course credit. Both Parts A and B will be available through May 2027, in live-classroom, live-remote and online/independent (self-paced) formats.

Submit core course and instructor evaluation forms to the Real Estate Branch within 10 days of course completion.

REMINDER TO CE PROVIDERS AND INSTRUCTORS:

No modifications shall be made to the Commission's core course, including the student handbook, outline, slides and other related materials.

CE Providers and Instructors must strictly adhere to the approved course and utilize the approved handbook, outline, slides and related material and meet the three-hour minimum requirement.

If an instructor wishes to add an additional slide(s), they shall submit additions to the Commission for approval PRIOR to implementation.
Slide(s) must include a disclaimer indicating they are supplementary and not part of the Commission-approved core course.

Noncompliance may result in disqualification of the instructor and/or removal of the course from the CE provider's approved roster.
